## Overview

---

The 239FS is the answer to the question of whether a boat can fish hard on Saturday and then capture family fun on the water on Sunday. It provides plenty of roominess and fishing features to bring home the big catch while also providing the comfort features of a relaxing bow lounge and an aft bench seat that can easily accommodate five across. The 239FS offers the largest cockpit in its class, and loaded with features for both family comfort and serious fishing. With emphasis on comfort, fishing, and safety, your Family Sportsman will feature more seating and storage, even a changing/potty room, while having the fishing features you would expect in any center console design, like rod racks, trolling rod holders, live well, and even a macerated fish box in some models.
