Overview

The Bluegame BGX 60 is a unique combination of style, comfort, and functionality. Designed for year-round enjoyment, this yacht is perfect for those seeking the luxury of a villa on the water with the ability to be sailed single-handedly. Equipped with modern comforts such as a Miele dishwasher, a wine climate control cabinet, and even an ice machine and Teppanyaki grill, this vessel is designed for easy living. With expansive outdoor spaces, including a large deck for water toys, sunbathing, and a swimming platform, the BGX 60 offers exceptional versatility and comfort.

The highlight is the pick up truck like platform, where you can store a big tender easily with the hydraulic crane, which is nicely integrated into the design of the yacht. The layout can be refitted to 3 Cabins, cost approximately €30-40k.

The interior is both contemporary and spacious, featuring a 2-cabin layout that rivals much larger yachts (75-80 feet). The master cabin boasts panoramic views of the water through its large windows, while the loft-style living area provides an open and airy atmosphere. The BGX 60 features high-quality materials, such as custom oak carpentry, leather blinds, and indirect lighting, creating a modern and luxurious ambiance. Additionally, the exterior styling and functional design features, including sun protection systems, infrared cameras, and an additional cabin door, ensure a seamless experience for owners and guests alike.

Handling this yacht is a breeze, even for those with limited experience. Equipped with joystick controls and excellent visibility, the BGX 60 is easy to navigate and maneuver. With added features like Easy Mooring devices and a quiet engine operation, sailing is both stress-free and enjoyable. The yacht also includes a well-equipped crew cabin, underfloor heating, and practical storage solutions throughout, making it the ideal vessel for both long-distance cruising and leisurely day trips. Ready to sail, the Bluegame BGX 60 is a luxurious yet practical yacht built to offer an exceptional experience on the water.
