## Overview

---

If you like Wesmac downeast hulls, precision design particulars and custom boatbuilding details, Veritas is the boat for you.

Veritas combines the venerable Wesmac hull pedigree with custom design by Matt Smith Naval Architect and finishing by New England Boatworks. Her Yamaha outboard power sets her apart from the crowd while providing weight savings and a quieter ride than any inboard diesel could provide.

Minimal air draft, 2'7" water draft and cruising speeds at 8 - 9 kts as well as 16-17 kts make Veritas a perfect Great Loop platform. Comfortable cruising for a couple and guests.

The ingenious design detail, the beach house interior, the absolutely phenomenal outboard power means you can cruise in comfort and receive compliments and nods of approval in every harbor. This is a customized Wesmac gem that receives our highest recommendation.

## Basic Information

---
