SPECIFICATIONS

Overview

Emma Mae III is a fantastic example of the superior craftsmanship that Wesmac always delivers on. She was completed in house at Wesmac from start to finish. The innovative high tech hull design along with the classic downeast lines of her hull make this boat not only look great but also can take on the those aggressive seas. The hard chined hulls allow for maximum seakeeping abilities and performance without losing speed or ability to handle the boat.

Delivered to the current owner in Fall of 2017, *Emma Mae III* features fantastic upgrades to the boat. The new (2024) Flag Blue Awl Grip HDT hull paint shines bright. The Garmin electronics suite makes navigating this boat a breeze and when it comes the Caterpillar C8.7 it was meticulously maintained. She has been stored indoors in a climate controlled facility during each off season.

Emma Mae III has been completely commissioned and is ready for summer cruising. She can be viewed by appointment.
