SPECIFICATIONS

Overview

Ocean Alexander's 45 Divergence, designed in collaboration with Evan K. Marshall, marked their debut in the center console market, showcasing their renowned craftsmanship and innovative design. Delivered in 2020, FORTY FOUR's standout features include folding aft bulwarks that extend the beam and create expansive balconies, a well-equipped helm with Garmin electronics, and an entertaining area with a retractable TV and summer kitchen. Below deck offers 6'6" (2m) headroom, a compact galley, a head, and a convertible settee for overnight stays. Powered by quad 350 hp Mercury Verado outboards and fitted with joystick control and a Seakeeper 6 stabilization system, she delivers speed, range, and smooth handling, making her an ideal dayboat or tender for a larger vessel.
