SPECIFICATIONS

Overview

If you are seeking the PERFECT Tiara Sovran 4300 then look no further! This boat is a 9.9 out of 10!!

As you enter the boat you will see updated canvas, as you access the cockpit area you begin to truly appreciate the pristine condition of this vessel, all cushions have been recovered without a single mark on them, the wet bar area invites one to sit down in one of the two lounge area and enjoy a cold beverage from the refrigerator while feeling the cool breeze of the cockpit AC system on your skin. The Onan 11.5 KW generator provides plenty of "shore power" when you are travelling or anchored out. In the helm seat you will again be impressed by the updated Raymarine electronics suite, including two Axiom Pro MFD's, Digital radar, Auto pilot, etc. Navigating as you leave and arrive at your destination is made simple with the joystick controlling the twin Volvo pods, making any Captain into a professional mariner! As you proceed down the generous sliding door and down several steps you emerge into a beautiful, fully appointed salon/galley area. All the floors, walls and ceiling areas are in perfect shape and again, show the pride in ownership the current owner has in his vessel.

This area allows the onboard chef to create meals and/or snacks to meet the needs of the passengers with the use of the full size refrigerator, generous counter areas, large sink, etc. Meals can be taken in the cockpit area or in the salon at the beautiful dinette. Entertainment can also be supplied with a Sony smart flat screen TV,

Forward of the salon, through a door, takes you to the large master stateroom complete with ensuite head area with separate shower area. You will also note that this vessel is accessorized with custom "Tiara" soft goods. This stateroom also has a separate AC system with its own controls for personal comfort as well as another smart flat screen TV. This stateroom is also bright and airy due to the multiple hatches in both the ceiling and hull areas. Aft of the port side galley area you will pass through another door to access the guest stateroom. This area also has an ensuite head with shower. Sleeping arrangements are two twin beds that can also be moved together to create a single large sleeping surface. Personal comfort is maintained through yet another independent AC/Heating system. Again, this cabin is finished tastefully with Tiara soft goods. To create a special ambiance while at anchor or at the dock, just switch on the underwater lights to set the mood and also allow viewing of the many fish species that are attracted to lights at night. This vessel has been fully maintained to Tiara/Volvo maintenance guidelines using ONLY Certified Volvo Marine service providers.

Basic Information

Category: cruiser

Sub Category: Express

Model Year: 2008

Year Built: 2008

Country: United States

Dimensions

LOA: 43' (13.11mm)

Beam: 14.75

Max Draft: 3' 7" (1.09mm)

Speed, Capacities and Weight

Water Capacity: 110 Gallons

Holding Tank: 50 Gal Gallons

Fuel Capacity: 375 Gal Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass
