SPECIFICATIONS

Overview

"Sabre's 40 Sedan melds the best of the new with tried and true. Classic down east lines ride a modern planing hull. Sophisticated coring and vacuum-infusion techniques provide great strength with minimal weight. Twin 380 hp Cummins Zeus pods deliver efficient cruising speeds from 15 to 30 mph, with sportscar-like acceleration and maneuverability to make an old salt grin like a kid. Not bad for a classy-looking 40- foot cruising "lobster yacht" that shows off plenty of teak." ~ Boating

New **Zeus Drive** lower units were installed in July of 2024 with 1 year Warranty from Mercury through July of 2025.

Tempest is a well-maintained example of the Sabre 40 Sedan. With detailed records and a recent survey (February/March 2022) this boat should represent very good value on today's market. This is a second owner vessel that has detailed service history and has seen a strong level of maintenance.
