SPECIFICATIONS

Overview

The Tribale 120 Granturismo is an exquisite motor yacht that showcases the best of cutting-edge marine design and technology of 2025 while ideally representing the relentless pursuit of perfection and superior craftsmanship of the laudable builder, Tribale Yachts. Having been precisely engineered to an impressive length of 35.7 meters, or 117 feet 2 inches, this maritime marvel is a testament to the timeless elegance and advanced mechanics that have become hallmarks of Tribale Yachts' impressive line of luxury vessels. Beyond its first-rate engineering and imposing stature, the Tribale 120 Granturismo possesses a distinctive visual grace that sets it apart from its peers. Its sleek silhouette is a harmonious blend of aerodynamics and aesthetics, infusing a sense of dynamic motion into the vessel even when it is at rest. Coupled with its scintillating hull, the yacht bears a sense of refined grandeur that is both arresting and awe-inspiring. This towering sea creature's exterior aesthetic is both a tribute to the yacht's exceptional performance capabilities and an embodiment of its inherent sophistication. Slipping inside, the Tribale 120 Granturismo showcases an interior design that is as chic as it is luxurious. Elegance abounds inside the sprawling cabins and expansive living spaces, with impeccable attention to detail reflected in every nook and cranny. The use of high-quality materials and textures, such as rich woods, gleaming metals, and sumptuous fabrics, creates an ambience of unrivalled opulence and comfort. Soft, warm lighting complements the interiors, casting a mellow glow that is both soothing and enticing. The vessel's main saloon features an open-plan living arrangement that is as spacious as it is inviting. A modern entertainment system, paired with plush, generous seating, ensures for hours of enjoyment and relaxation. The dining area on the same level strikes the right balance between formality and intimacy, making it an inviting space for meals and gatherings. Moreover, the Tribale 120 Granturismo is equipped with spacious and sumptuous staterooms that serve as personal havens of tranquility and retreat. Each room is imbued with its own distinct character, yet united by an overarching theme of sophistication and comfort. High-end personal amenities, along with state-of-the-art entertainment systems, add to the quotient of luxury in each room. The Tribale 120 Granturismo - with its top-notch structural integrity, advanced propulsion system, and excellent navigational attributes - ensures to offer a supreme cruising experience. The deck boasts ample space for guests to laze around, sunbathe, or simply enjoy the ever-changing sea views. An integrated barbecue setting and an outdoor bar enhance the aura of relaxation. Aside from its recreational features, the Tribale 120 Granturismo's superior engineering comes to the forefront in terms of performance. The boat's powerful engines ensure satisfactory peak speeds, while their quiet operation and reduced vibration contribute to a distinctly tranquil cruising experience. The advanced navigational and safety systems, which are comprehensive yet user-friendly, ensure the utmost confidence for both the crew and the guests on board. In conclusion, the Tribale 120 Granturismo,

with its sleek and striking appearance, luxurious living spaces, and remarkable performance capabilities, is a true masterpiece of nautical craftsmanship. This vessel embodies the foresight and innovation of its year, 2025, while upholding the exceptional standards that have come to be associated with its creator, Tribale Yachts. Every journey aboard this motor yacht promises to be a voyage of unrivalled comfort, elegance, and sheer maritime enjoyment. Given the stunning features, remarkable craftsmanship, and superior performance, the Tribale 120 Granturismo is not just a motor yacht, but a floating mansion offering unparalleled luxury. This gem from the Tribale Yachts undoubtedly opens up a new dimension of luxurious sea voyages, offering an eloquent expression of human ingenuity and passion for marine engineering and design.
