SPECIFICATIONS

Overview

Recently refreshed with brand new topside paint, this beautiful vessel is in excellent condition and ready for her next adventure.

Cavallino is a turn-key sailing yacht meticulously crafted by the esteemed Cantiere del Pardo in Italy and designed by the renowned J&JDesign, the same team behind the acclaimed Shipman 50 and Club Swan 50. This stunning vessel measures an impressive 46 feet in length, 14 feet in beam, and features a draft of 7 feet 3 inches, perfectly balancing performance and comfort with a displacement-to-length ratio of 190, making it ideal for both leisurely cruising and spirited racing.

This Grand Soleil 46.3 is a rare find, equipped with USA-spec wiring rather than European wiring.
