SPECIFICATIONS

Overview

SAY CARBON 29 The iconic wave-cutting bow design, combined with stability wings on the bathing platform, ensures maximum steadiness and allows for incredible cornering speeds. Based on a lightweight carbon monocoque, each SAY Carbon yacht impresses with breathtaking acceleration and excellent driving dynamics, while also reducing fuel consumption. She has only had one owner. The boat is from 2018 but was on display for 2 years without touching the water. The engine is in fantastic condition; it's like a Ferrari on the water and sounds like one, with maintenance service and antifouling completed in May 2024. Viewings are highly recommended to take advantage of this opportunity.
