Overview

he ultimate fishing machine!!

2021 Yellowfin with only 175 hours on triple 400 Mercury Verados.

Manufacturer Provided Description

This is the boat that has dominated the southern kingfish association and other tournament events for over a decade. The 36 is frequently found in the winner's circle across the country to this day. The combination of speed, an unmatched dry ride and legendary rugged construction make the 36 Yellowfin the boat to beat no matter where you are fishing. The 36 can be powered by twin or triple outboards and either option will yield speeds that no other boat in its class can match. Numerous console, leaning post and top options, let you customize the 36 to perfectly complement the way you fish. Whether you chase King Mackerel with the pros, or mahi-mahi on the weekends with your family. The 36 excels at whatever fishing task you ask of it.
