SPECIFICATIONS

Overview

The Intrepid 245 is a versatile and popular boat, particularly known for its performance and build quality. Paired with twin Yamaha 150s, this setup would offer good speed, reliability, and fuel efficiency for both offshore and inshore use.

The Yamaha 150s are known for their durability and performance, making them a solid match for a boat like the Intrepid 245. This setup provides a comfortable cruising speed in the mid-30 mph range, with the ability to push to higher speeds if needed.

This 245 is the perfect boat to have behind the house or on a trailer for ease of use! Large enough to get offshore for fishing, head to the Islands or just relax at the sandbar but also small enough to let the kids drive and if needed load on a trailer and bring home to the driveway.
