## Overview

---

MTI is renowned for its meticulous craftsmanship, and the 2017 V42 “RIP ROARING” is no exception. It’s constructed using high-grade composite materials that ensure durability and strength while keeping the boat lightweight for enhanced performance. The fit and finish on “RIP ROARING” are of the highest standard, with seamless lines and sleek styling that reflect MTI’s commitment to luxury and attention to detail. Top-tier hardware and components—from the robust stainless steel fittings to the advanced electronics and navigation systems—are used throughout, guaranteeing long-term reliability and resilience against the marine environment.

Its deep-V hull design, featuring stepped hull technology, enhances efficiency by reducing drag, ensuring a smooth and stable ride even in rough conditions. This design allows the 2017 MTI V42 to slice through waves effortlessly, providing a comfortable cruising experience while maintaining impressive agility. The boat’s hydrodynamic shape ensures excellent handling, making tight turns feel controlled and precise, whether you’re navigating open waters or coastal areas.

In summary, the 2017 MTI V42 “RIP ROARING” combines the thrill of high-speed performance with the reassurance of solid, high-quality construction. It’s built for those who appreciate a boat that can deliver both exhilarating power and refined craftsmanship, making it perfect for everything from offshore adventures to leisurely cruises along the coast.

## Walkthrough

She features quad outboard engines, Mercury Verado 400Rs, providing the raw power to propel this vessel at impressive speeds of over 70 mph.

There’s a convenient boarding ladder integrated into the platform, making it easy to climb back onboard after a dip in the ocean. The transom area also has a freshwater shower, perfect for rinsing off before stepping into the boat after a swim.

Moving forward, you enter the cockpit, a versatile space that balances both comfort and functionality. This area is designed for socializing, with a spacious aft lounge that wraps around the stern. The seating is plush and comfortable, upholstered in high-quality, marine-grade materials that can withstand the elements. There’s enough space for 6-8 people to sit comfortably, making it perfect for group outings or sunset cruises.

The cockpit is also equipped with a wet bar area with a sink, cooler storage, ideal for keeping refreshments cold during a day on the water.

Stepping forward, you arrive at the helm station, the command center of the V42. It

features 2 rows of three custom captain's chairs with bolster seats that can flip up or down, offering comfort whether you're seated or standing while operating the boat. The helm is equipped with Garmin GPS displays, providing state-of-the-art navigation and control.

Continuing forward, the bow of the MTI V42 offers another inviting area for relaxation. This space features a U-shaped seating arrangement with cushioned seats that wrap around the front of the console, providing ample space for lounging. You can set up the table here, making it a great spot for enjoying a meal or drinks with friends.

There are in-floor storage compartments throughout the bow area, perfect for stowing away life jackets, lines, and other gear. For added convenience, there's also a windlass anchor system hidden beneath a hatch, making it easy to deploy and retrieve the anchor without breaking a sweat.

The cabin of the MTI V42 is not just about style; it offers practical features as well. Stepping inside, you'll find a compact cabin with standing headroom—perfect for getting out of the sun or taking a quick nap during a long day on the water. The cabin includes a V-berth that converts into a small sleeping area, a marine head (toilet), a sink, and air conditioning.

This cabin makes the V42 versatile enough for overnight stays or to escape the heat and enjoy a quick refresh. There's also plenty of storage space inside, ideal for keeping your personal belongings, extra towels, and fishing gear secure.
