SPECIFICATIONS

Overview

Kia Kaha is an excellent one-owner example of Sunseekers' sought after Predator 60 Evo. With only 225 hours on a pair of freshly serviced Volvo D13 900s, this lightly used vessel is ready for anything. Complete detail finished 10/24 as well. This model offers the perfect cruising/entertainers layout with expansive sun lounging and cockpit seating that feels connected to the salon by the push of a button to lower the glass. Great visibility from the helm with all controls readily available including steering wheel mounted Simrad switching, bow and stern thruster, Xenta joystick, and the vessel CM8 display for digital switching. Three staterooms below accompany the galley and a lower lounge. The owners cabin is full beam mid ship with ensuite and the galley has a very open feel with natural light from the salon above and plenty of storage. The vessel also comes with a tender garage currently holding a Williams 325 Jet tender. Contact the listing broker for a full equipment list or to schedule an appointment.

Basic Information

Category: Motor Yacht
