## Overview

---

This 575 is the adventurous yachters dream. The current owners have equipped Zero Gravity for long excursions to the islands for diving, fishing, and watersports. The blue water tested Riviera hull powered by its Volvo IPS 1200s is perfect for coastal cruising or long-distance adventures.

Zero Gravity has had full engine/POD/generator services, bottom paint, and ceramic coating completed in the last 100 hours of use. Total engine hours are 535 and the vessel has been with its original owners since delivery. Owners are soon moving into their next Riviera making this an amazing opportunity for a new family to create their own memories!

The layout includes a versatile cockpit accompanied by raised seating area, grill, refrigerator, and icemaker. Inside, the aft galley opens up to the cockpit with a release of the manual window and is very well appointed with refrigeration, dishwasher, and storage. Forward of the galley is a large salon/dinette with an opposing sofa. The helm area boasts 4 Stidd captain's chairs allowing many guests to be part of the adventure. Additionally three large Garmin displays, a CZone control unit for digital switching, and joystick.

Lower accommodations include 3 staterooms with a combo washer dryer unit in the hall to the full beam owners cabin. Zero Gravity is also equipped with two additional cockpit joysticks, FLIR night vision, and a hydraulic swim platform.

Contact the listing broker for a full equipment list or to schedule an appointment.
