Overview

"

For Sale 2013 Maritimo C53 Sports Cabriolet. This was the last C53 ever built and presents very well.

\r\n\r\n

2nd owner and has been professionally maintained by a skipper.

\r\n\r\n

The C53 is the updated version of the popular C50 with a modified cockpit lounge, fridge / freezer and BBQ to the standard current layout. The current cockpit layout provides more deck space and better usability to the BBQ and fridge.

\r\n\r\n

She also has a rear facing lounge with a big window and servery into the galley.

\r\n\r\n

Whilst performance and luxury appointments make it ideal for Australia's love of sun, sea and fun, the C53 Sports Cabriolet is both stylish and functional at the same time. From the sleek hardtop with its electric sliding glass sun-roof down to the opening transom tender garage and out to the hydraulic swim platform.

\r\n\r\n

The view from the saloon shows a fantastic 360 degree panoramic, with a free flowing feeling from the front of the house, through to the functional galley and into the Cockpit.

\r\n\r\n

The fuel efficiency of all of our shaft driven Maritimo's, is something we are proud of. Advanced Variable deadrise hull, engines and fuel tanks over the centre of buoyancy, 9 degree shaft angle and the C53 punches through swell with ease. She is a very well balanced boat.
