Overview

"

51 Maritimo for sale. This 2015 Maritimo S51 motoryacht is the ideal Sedan motor yacht when cruising the coast is important. With walkaround decks, beautiful African Wenge timber fit out. and a full beam master cabin, the Maritimo S51 was ahead of its time. BMS Gold Coast is proud to offer this quality used boat exclusively for sale to the global boating market.

\r\n\r\n

-A magnificent boat for boaties who want single level living and or have bridges to navigate to get their home berth.

\r\n\r\n

The S51 features Maritimo's legendary full beam master suite, market leading styling inside and out plus great performance and reliability from the upgraded twin Shaft Drive Volvo 725HP D11 diesels.

\r\n\r\n

There are also walk around decks stretching forward to the front windscreen where there is a step up onto the large front deck. The height of the front deck had been raised to provide more headroom inside the forward cabin and the second cabin to starboard which has been set up as a sleeping cabin with a bunk.

\r\n\r\n

The front cabin provides a lot of space between the cabin door and the foot of the bed which gives guests a generous dressing area - something that is lacking in many boats of this size.

\r\n\r\n

The S51 is a great entertaining boat, hosting everyone on one level. Bi-folds at the rear of the saloon open up to the cockpit, making the aft galley entertainment central. The galley is on the port side and the lounge seating opposite has been moved further aft which provides more seating in the saloon. This allows two generous settees in the saloon and with the galley aft to port. Appliances are Meile including full height Meile fridge/freezer.
