ХАРАКТЕРИСТИКИ

Обзор

"

Available for immediate delivery is this extremely hard to find, heavily optioned, ready to cruise Maritimo 64 Enclosed Flybridge, Long Range Cruising Motoryacht.

\r\n\r\n

This 2019 Maritimo is one of the top three highest spec'd and optioned 64s ever built. She has been immaculately maintained and serviced with only 548 hours on the twin 1150HP DI16 V8 Scania engines giving a comfortable 21 - 23Kt cruise with a top speed of approx 29kts. At 8 knots the range is approx 1600NM, 10Kts 1000NM and 20kts 450NM.

\r\n\r\n

The Maritimo M64 has been stated by experienced owners as being the perfect size to allow access in most coastal marinas and anchorages without compromising on comfort, range and sea going capabilities. The 64 is the perfect balance between the 55 foot Range and the 75 Maritimo, Riviera 68, 72, 78 or larger Horizon and Ocean Alexander displacement style Motoryachts.

\r\n\r\n

With 3 double airconditioned cabins, including a full beam kingsize master, plus 3 private ensuites, extended stays with family and friends can be catered for in extreme comfort without invading each others space. There is also a sofa bed in the saloon for the extra guests, not to mention all the extra lounges and space in the flybridge. The 3rd cabin bed is a large comfortable double that cleverly splits to two side by side singles if required.

\r\n\r\n

Maritimos M64 saloon/lounging area flows seamlessly to the very well equipped aft galley and cockpit. The hosts or chef can prepare a meal whilst still engaged in all the conversation. The cockpit and flybridge have custom made awnings plus fully enclosed, roll up and removable breezeways made in super high quality breezeway mesh to keep you out of the wind, sun and even light rain. (New Nov 2023)

\r\n\r\n

There are far too many options to list here, (all available on request) , here are a few key options as follows:

\r\n\r\n

- Upgraded Engines from standard Volvo 900HP to Scania 1150HP V8 common rail coupled to upgraded twin disc gearboxes.

\r\n\r\n

- Oversized Hydraulic Bow and Stern thrusters upgraded from the standard electric for easy docking in windy or tidal conditions.

\r\n\r\n

- Twin Disc Premium Express Joystick docking package with joysticks to Internal flybridge, external flybridge plus both sides of cockpit.

\r\n\r\n

- Twin Disc Express Position System with activation panels to flybridge inside and out plus both sides of the cockpit to hold the vessel via Satellite GPS on the spot. This is priceless when preparing to depart the dock, tying fenders, fishing right on the spot, or holding the vessel stationary whilst on a passage to perform machinery checks or just to make some lunch!

\r\n\r\n

- Seakeeper 16 Gyro stabilizer for comfort on roly passages or anchorages.

\r\n\r\n

- Idromar 180LPH desalinator/watermaker

\r\n\r\n

- Simrad electronics package with Triple 19" touchscreens, radar, depthsounder/fishfinder with forward sonar, Halo open array radar, Chartplotter with AIS transmit and receive, Satellite TV and Phone, wind gauge, Separate 12" Simrad to saloon and cockpit.

\r\n\r\n

- Fusion sound system with 4 separate zones.

\r\n\r\n

- Engine room monitoring cameras plus cockpit and anchor cameras.

\r\n\r\n

- Individual Miele washer and dryer.

\r\n\r\n

- Full Miele appliance package inc dishwasher, upright fridge freezer, full size oven, plus miele convection microwave and 4 burner cooktop.

\r\n\r\n

- 60KG Ultra anchor with 80M+ of 12MM short link chain, Anchor washdown plus anchoring camera.

\r\n\r\n

- AB Rigid inflatable ALX11 with 25HP Yamaha barely used with cover.

\r\n\r\n

- 500KG Davit Crane to bow.

\r\n\r\n

- Enormous lazerette with electric actuating lift up transom to fit all your toys.

\r\n\r\n

In Summary, the M64 Maritimo has huge volume for family and friends, class leading fuel economy, performance, speed and stability, Serious Long Range Cruising capabilities, yet easy to handle for a weekend away in your local waterways.

\r\n\r\n

The current owners have reluctantly and emotionally decided to sell with family commitments taking priority.

\r\n\r\n

This vessel would suit anyone looking at new vessels seeking volume, fuel economy and cruising in mind. With replacement cost in todays terms somewhere around \$6M+ for similar spec vessels.

\r\n\r\n

We are the leading New and Preowned Maritimo Dealer in the country, situated just around the corner from the Maritimo factory and refit facility on the Gold Coast.

\r\n\r\n

Please enquire to book your personalised viewing of this stunning Maritimo today.
