SPECIFICATIONS

Overview

Quality is everywhere aboard the MARYCLARE, the finest leathers and fabrics help assure a youthful, "like-new" look throughout the interior. The deck plan has been well thought out to achieve maximum privacy and separation in the private areas and maximum entertaining in the common areas. Lounging areas throughout provide many interesting points for relaxation and comfort. A walkthrough of the MARYCLARE will demonstrate a surprising amount of interior volume for a yacht this size and that adds to the tranquil feel.

Model: 3412

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

MaryClare is designed to sleep up to 8 guests in four large staterooms, with crew quarters for three or four if there is a husband and wife team. A husband and wife team can be accommodated in the captain's quarters with a double bed. The crew area is forward and separate from the owner/guest sleeping areas. Each guest stateroom has an en suite head and fine interior appointments.

Vessel Walkthrough

MaryClare is a Capri Sky Lounge Hargrave model with a curvaceous and sexy profile with lots of interior volume; a rare combination to find for a boat this size. Entering MaryClare from the aft deck you will be struck by how tranquil this yacht feels, and with further investigation you understand how comfortable she is too. Cherry wood in a nut color with a satin finish abounds and is accentuated by lace wood cabinet tops. The spacious galley is forward of the salon and dining areas and is a chef's dream. The crew quarters are forward of the galley and down a short flight of stairs. This arrangement is ideal for privacy. Moving back toward the dining area you will find a spiral staircase that leads up to the sky lounge and down to the owner and guest staterooms, which again are separate from the crew. Below deck you will find a large aft master suite with his and her heads and closets, a VIP suite and double twin staterooms. Each guest stateroom also has a private head and luxurious amenities. MaryClare had the following upgrades and maintenance between September 2013 and April 2014: New Fire Extinguishers \$16,000 New Vinyl Covers \$ 2,500 Steering System Overhaul \$16,000 (New Cylinders, hydraulic hoses, and pumps) Watermakers serviced, pumps replaced \$ 3,000 New Carpet and Upholstery \$30,000 Exhaust Repair \$25,000 Air Conditioning Service \$25,000 (6 new units with UV, all ducts & remaining units were Ice Blast Cleaned) New Lifteraft \$ 6,000 Rudder Repair \$12,500 (All new through hulls & Bearings) Bottom Work \$20,000 (Sanded down to FRP, new barrier coat & paint) Teak Deck and Stairs \$11,000 (New to bridge and platform) Numerous other small items Not Added Total \$163,000

Aft deck

MaryClare's aft deck is simple and spacious; at the center, a large high-gloss table with enough seating for eight. Accompanying the table is a built-in bench seat and 4 teak chairs. The bench and each of these chairs is fitted with a tan and white vertical striped cushion for added comfort and style. The aft deck is fairly simple otherwise and includes subdued features such as teak flooring and a portside fiberglass compartment that houses an ice maker and storage areas.

Salon

Entering the salon, you immediately feel the tranquility of the space. The wood is a nut color Cherry with a satin finish, accentuated by lace wood cabinet tops and cross-grained cabinet faces that create a repetitious interest to the veneer. In the main salon, as well as throughout the rest of the yacht, all of the visible hardware is a brushed satin nickel. To port are custom-made Hamilton House Lane Home Excursions sofas, which are extremely comfortable and elegant with a clean cream colored fabric. This space was designed with very neutral colors. The only pattern on the main deck is a tropical inspired foliage fabric in colors of sage, curry and celery that covers the aft lounge chair, ottoman and several carefully placed accent pillows. This design scheme creates clean lines against the gorgeous wood, as well as a calming ambiance. To starboard is a neat row of cabinets offering storage space and a plethora of display counters. Forward, separating the living area from the dining area is a Cherry cabinet concealing a Sony Plasma 32" EDTV, which operates on an automatic high/low lift. This space also features recessed lights, a plush cream carpet and lovely architectural details and cabinetry.

Dining

The dining area consists of an oval-shaped wood table surrounded by 8 comfortable dining chairs comprised of bamboo style wood with cream cushions and an elegant button detail cascading down the back of each lovely chair. This space also features Cherry wood, as well as white cabinet faces and a wood buffet. Another notable feature is the 6-shelf glass china cabinet that is found to starboard and built into the flow of the spiral staircase that leads up to the sky lounge and down to the owner and guest suites. Colorful, hand-selected artwork and house wares complete the look of this otherwise neutral space.

Galley

The Ubatuba green/grey granite counters and backsplash, as well as the stainless steel appliances, stand out from the solid white lacquer cabinets and ceiling. The stainless steel appliance package includes a Sub-Zero refrigerator/freezer, GE cook top, GE Oven, Sub-Zero wine cooler, GE Microwave, dishwasher and a double-sided Franke sink. Other appliances include a GE black disposal. Refreshingly spacious and inviting, this galley feels like it belongs in an estate home. Warm teak and holly flooring adds dimension, along with custom woven rattan shades by Hartman & Forbes from Design West. Forward, and set beneath a row of windows, is an elevated dinette. This dining area is comprised of a tan-colored leather and palm tree motif fabric settee, with an adjustable granite topped dining table.. The subtle island inspired design features play off the deep green granite. To starboard and set into the cabinetry for a streamlined look, is a Sharp 20" LCD TV in silver to match the appliances. This entertainment feature can be enjoyed over a leisurely breakfast, snack, or maybe to catch your favorite food network show for cooking inspiration! Forward and down a small flight of stairs are the crew's quarters.

Skylounge

Situated just above the galley, and accessed via a spiral staircase in the main salon is the sky lounge. This space has a much bolder color scheme, featuring a chocolate colored settee by Moore & Giles leather, accentuated by chenille throw pillows with a contemporary cheetah pattern. The darker earth tone palette works well in this space as there is a plethora of windows and of course, the large forward windshield. Roman style shades dress the windows and create a light controlled environment. A small table, along with a starboard pop-up 42" Sony Plasma TV completes the sitting area. Forward and to port is a substantial built-in desk for your home-office needs. Also forward, you will find the large helm. Centered in front of the impressive electronics console is a pair of Stidd pilot's chairs in a maroon color. To the aft of the sky lounge is a large open deck with lounge seating, a hot tub, and tender and waverunner storage.

Foyer

The lower hall is spacious and has a curved console with mirror. The companionway is the entrance for all (4) guest staterooms; (1) Master Stateroom, (2) Twin Guests and a second king size bed in the VIP. The walls in the guest area are padded faux leather upholstery with Cherry stripping in between the panels. All of the light fixtures and plumbing have a brush nickel finish. The cabinetry is also in a satin Cherry with satin Cherry cabinet tops.

Master Stateroom

The master stateroom on the lower deck is especially soothing and calm in shades of cream, ivory and gold. Natural finishes such as the Cherry wood abound, and the room is simple and luxurious. The king size bed is found at the center of this room, with an overhead mirror, cherry wood strips and attractive shaded lamps. Features include cedar-lined his and her closets, an in-room hidden safe, Shoji screens over the porthole windows, a small vanity with chair, a 42" Sony Plasma TV, and an en suite his and her head. The head consists of Perlatolo Suevo marble, a Jacuzzi tub, walkthrough shower, Grohe fixtures and eye-catching granite counters. The master stateroom is a place to unwind and refresh for the adventures of the day ahead.

VIP Stateroom

The VIP suite is truly made for your most valued guests as it has wonderful upgrades and a unique style. A king size bed fitted with a smart gold bedspread accentuated by marine blue pillows, acts as the center piece of this stateroom. A king bed is an unusual feature for a VIP, but even more unusual is the fact that the room is still very spacious and offers substantial storage space with drawers, a built-in curved console cabinet above which is a 20" Sharp LCD TV, and a full-length cedar-lined hanging closet. You will also find an en suite head with a full shower and high level finishes. Your guests will fall in love with these private and luxurious accommodations.

Port Guest Stateroom

The first of two twin bed guest staterooms is found to port. This suite features twin beds fitted with attractive rust-colored bedspreads with shell motifs. The Cherry wood and cream-colored padded panels work well with the color choice of the fabric. A nightstand with a mirror and lamp just above it, divides the space between the two beds. Other features include Shoji screens with cherry wood strips, a 15" Sharp LCD TV, a large hanging closet and an en suite head with a full shower and granite surfaces.

Starboard Guest Stateroom

The second of two twin bed guest staterooms is found to starboard. This suite is basically identical to the port stateroom and features twin beds fitted with leaf motif bedspreads with calming colors of green and cream. Again, Cherry wood and cream-colored padded panels accentuate the fabric choices. The mirror and lamp help illuminate the space and make it appear larger. Much like its sister stateroom, this suite also features a nightstand with storage drawers, Shoji screens with cherry wood strips, a 15" Sharp LCD TV, a large hanging closet and an en suite head with a full shower and granite surfaces. Your overnight guests will be right at home in either of these two finely appointed staterooms.

Crew Quarters

The crew quarters are forward and down a flight of stairs from the galley. Your tour of the area begins in the crew lounge where a substantial banquette and table are positioned in front of storage cabinets and entertainment features such as a 15" Sharp TV. Next, is the private captain's stateroom, which appears to be another VIP stateroom with a queen bed and elegant refinements that would be appropriate for a captain or a husband/wife team. This space features plenty of storage, a hanging closet and a private en suite head. Crewmembers have a second stateroom with over/under bunks a hanging closet and their own private head as well. Hargrave yachts are built to accommodate a large and more importantly, happy crew and MaryClare can accommodate 3 or even 4 crewmembers with a husband/wife team.

Engine and Mechanical Equipment

- Twin Caterpillar 3412, 1400hp engines
- 32 kW Northern Lights Generators x 2, with soundshield
- Naiad stabilizer system Model 302 with 9 sq. ft. fin w/multisea 2000
- Sea Recovery Inc. 1500 GPD watermaker x 2
- Headhunter waste treatment systems
- Double stabilizer & bow thruster backup pump on back of prt & stb eng
- Engine room Seafire System
- Smoke Detectors (10)

- Maxwell Nilson stern winch VWC 2200
- (2) Maxwell VWC 4000C Windlass w/ 300' Hi-Tensile Chain and 250lb anchors
- Double Racor fuel filters, main engines
- 3200 gallon fuel capacity
- 600 gallons fresh water
- Wiring and davit reinforcement
- Wiring and thru hull for water makers (2)
- Tide Seal Dripless shaft logs & rudders
- Jabsco Emergency Bilge Pump 18330-0000
- Muffler on the exhaust By-Pass
- Sentry battery chargers:1-80Amp (24V) / 1-30Amp (24V) / 1-30Amp (12V)
- Safety Handrails at sides of Main Engines
- Oberdorfer Fuel Transfer pump
- Reverso Oil Transfer pump
- Standard Blowers
- Glendinning CM8 100Amp Cablemaster w/ 100' Cord x 2
- Glendinning controls w/ 2 remotes
- (2) Atlantic Marine s/s T40E Water Heaters

Electronics and Navigational Equipment

- Furuno 1953C 12KW, 6' NAV 72 mile color radar
- Furuno 1953 C 30 Mtr Cable upgrade from standard 15m cable
- Pro Mounts F Navnet 10.4 LCD flush mount
- Furuno ARP 11 Target Plotter for Navnet
- Furuno PG 1000 Heading Sensors
- (2) Furuno NTSC/Pal Video Interface for Navnet equipment
- Furuno Network WAAS GPS
- (2) Lilly Basic Stainless GPS Mount for arch or hard top
- Furuno Network Cable 5 mtr
- Furuno Network Sounder 600w/1000w, 50/200 khz
- Furuno 525 STMSD Ducer 600w Bronze thru full for network sounder
- Furuno 525 ST MSC Extension cable, 8-pin(m) to 8-pin(f) 20 '
- Furuno Fair for 525 ST-MSD
- Raymarine RayNav 300 GPS WAAS Tech receiver, display and antenna
- Raymarine RayNav 300 Ant 10m Ext cable
- Raymarine RayNav 300 Flush mount kit
- Raymarine ST 60 Depth Display
- Raymarine ST 60 Depth Stem B45 Stem bronze thru hull
- Raymarine ST 60 Depth Ducer extension cable per foot (100)
- Raymarine ST 60 Wind System analog direction, digital speed, vane sensor
- Raymarine ST 7001 + Control second station repeater or replacement head
- Raymarine T 1 Hydraulic Pump 24V

- Raymarine T 400 G Core Pack
- (3) Raymarine Sea Talk Cable, 3m for data transfer
- (2) ICOM IC-M602 VHF Black alpha display, hailer, intercom, dac, dual com mic
- (2) ICOM IC-M602 Flush Mount Kit
- (2) Digital 16' 10DB VHF Antenna high gloss
- Digital custom cable , 50' additional cable on each VHF antenna (100 ft. total)
- (2) Rupp Pak Antenna Mount, threaded upper and 4 way base
- (2) Concord Hailer Horn 40 watt with listen back
- Concord Hailer Horn ext cable, 100'
- (2) Samsung 170 MP LCD Display with tuner
- Concord HP Fax/Copier/Scanner/Printer
- Concord USB Cable 25'
- Panasonic CAM 2 Color CAMS PTZ pan, tilt, 2com,quad switcher, 300' cable
- Panasonic 624 KSU Phone System
- (6) Panasonic KXT 7730 Phone, speakerphone with display
- Panasonic PH Fax Detect/OGM
- Coax RG 6U-3000 FT
- Danforth Compass 5" in Sky lounge
- Concord Infrared Expansion 500 ft.
- Samsung 15" screen for computer desk in Sky lounge
- VGA Splitter amplifier and cables
- Panasonic KXT 7885 Cordless phone system for sky lounge
- (2) ACR RCL-100D 24V Searchlight remote control
- Concord Computer System Pentium
- Concord VGA to NTSC Converter to convert computer to video to TV video
- Concord Cordless Key/Mouse
- Nobeltec Visual Suite 7.0 CD Rom chart plotting with tides and currents
- Nobeltec Deluxe Charts Bahamas & Bermuda
- Nobeltec Deluxe USA Charts FL East coast
- Nobeltec Dongle for passport charts outside of USA waters
- STAT Power 24V Pure Sine Invertor 1000w for computer equipment
- Concord Computer Cables and Connectors
- KVH Dbl dome F55/G6 US
- 3 Direct TV Receivers
- (3) KVH RCA GLA Receiver, directTV
- Concord Modulator Quad
- (2) Tropica 5" KVH TV6/G6 Tower Mount
- Concord Multiplexer 2x4
- (6) Concord IR Expansion
- (4) Universal MX-500 IR Remote preprogram/learning w/lcd screen
- (2) Concord WAP-11 Wireless Network
- Concord Network Hub 4 port switch, 110v,10-100
- Concord WAC-11 PCMCIA Access Card for laptop
- Vimar Network outlet-Black Bezel cat 5 network @ desk in sky lounge

- (3) RCA DSS RF Receiver with rf remote, Dolby digital audio
- (2) Digital 8' Dual Band Cellular antenna mounting hardware
- (2) Lilly Stainless Ratchet mount
- Digital Cellular Repeater
- Niles SVL 2 Volume Control mounted at Salon for aft deck speakers
- KVVH USA LNB 4 & 6 System
- (2) Concord Remote Spotlight
- Part LMR 240 VHF Coax cable
- Newmar 24V - 12V 50amp converter for (7) 12V Car Stereo through the boat
- Dolphin 100 amp 24V Power Supply
- Newmar 32-12-50 24V / 12V 50 amp converter for Navigation Equip.
