Fuel Type: Diesel

DETAILED INFORMATION

Broker Remarks

In the Fall of 2008, DRUMBEAT was taken to Rybovich & Sons Boat Works for a major refurbishing. This included; new teak cockpit bulkhead, new teak transom, new paint, new electronics, new interior, and new A/C and refrigeration as needed. She also received a complete bottom job, new propellers and all bright work brought up to Rybovich standards.

In the fall of 2012 she was again updated at Rybovich, including new salon sofa, new 50" flat screen TV (on lift), new soft goods, headliner and paint. You will not find a finer, or more customized, 61' Garlington anywhere!
