SPECIFICATIONS

Overview

This Grand Banks 42 Heritage Classic is in great condition. You have to see her for yourself. She has the preferred Cummins 8.3L 450 HP diesel engines that are reliable, economical, and powerful.

Onan 9 KW generator in a sound shield enclosure.

LOA: 42' LWL: 41'1" Beam: 14'1"

Draft: 4'2" Bridge Clearance: 22'6"

Engine(s): Cummins Engine(s) HP: 450 Engine Model: 6CTA 8.3-M3

Hours: 502 Cruising Speed: 16kts. Max Speed: 19 knots.

Tankage

Fuel: 600 gals. Water: 268 gals Holding: 40 gals.

Master Stateroom

The master stateroom is aft with a large queen sized bed on the starboard side. Opposite to port is a set of custom cabinets and hanging locker with a settee and storage drawers underneath. Between the settee and the bed is another set of storage drawers. Forward of the bed is a large hanging locker on top of which is a flat panel LCD TV. The head is on the port side with Vacuflush toilet and a large countertop and ample storage. On the starboard side is the large separate shower stall. The shower stall has a solar powered vent fan. There are opening windows as well as curtains throughout the stateroom.

Saloon

Amidships on the main deck is the saloon. The upholstery is chamois ultra suede. Doors to the saloon are port aft of the galley and starboard by the helm. Forward to starboard is the engine control panel, gauges and circuit breakers. Aft of the control panel is the helm seat from which you have excellent vision. Behind the helm seat is the bar with a U-line icemaker installed underneath.

Aft of the galley against the cabinet is a 21" Sony LCD TV that folds out allowing you perfect vision from the settee. Next to the TV is the DVD player and Satellite TV control. Aft of the door is the port side settee that has a filler insert converting the settee into a bunk. Aft of the settee is a set of storage drawers. Opposite to starboard is the L shaped settee and solid teak table with foldouts. In the corner behind the settee is the Satellite phone. There are opening windows with curtains and crown moldings throughout the saloon. All of the saloon windows are tinted.

Forward on port is the well-equipped L shaped galley with a princess 3 burner propane stove with oven and microwave oven. Above the stove is a vent fan and custom storage lockers. There is a separate Grunert freezer and refrigerator with holding plates. Above the galley is the Solenoid control and Propane fume detector.

Sink with hot and cold water.

Guest Stateroom. Forward and down 3 steps is the bow guest stateroom. This consists of a large Vee berth with storage underneath and a private head and shower. There are opening ports on either side or a hatch that allows for fresh air throughout the stateroom. The head consists of a Vacuflush toilet, large counter tops, ample storage throughout and an opening port. Opposite to port is the Splendide model 2000 combo Washer/dryer. Next to the washer/dryer is the hanging locker.

Flybridge The flybridge is large with an unobstructed 360-degree view. Forward on either side are back-to-back seats. The helm station, engine controls and the electronic navigational aids are found on the starboard side. Storage for the propane bottles of which there are two is under the port side aft facing seat. Aft of the helm station is an L shaped settee. Aft of the flybridge Bimini is the mast.
