ХАРАКТЕРИСТИКИ

Основная информация

Тип судна: Катамаран

Модельный год: 2006

Год постройки: 2006

Страна: United States

Размеры

Длина общая: 44' 0" (13.41m)

Ширина: 21' 10" (6.63m)

Макс. осадка: 4' 0" (1.22m)

Трапы: 61' 0" (18.59m)

Скорость, вместимость и масса

Водоизмещение: 22500 Pounds

Вместимость воды: 50 Gallons

Вместимость сточного бака: 60 Gallons

Объем топливного бака: 120 Gallons

Корпус и палуба

Материал корпуса: Fiberglass

Информация о двигателе

Двигатели: 2

Производитель: Yanmar

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Features

This is a rare opportunity to own the best production catamaran available in the world. Why is PDQ the best available production catamaran? First, PDQ is said to be short for Pretty Dam Quick; she will sail at just about wind speed in light wind. Second, her bridge deck clearance is far superior to other manufacturers, giving her a smooth slap free ride in most sea conditions. Third, she has incredible headroom and yacht feel having an interior built with lightweight honeycomb that has a wood overlay. Finally, unlike most production catamarans, she has engines midship for stability with very reliable straight shafts driving her props (not in water saildrives). For sailing She is equipped with a Mainsail, Screecher, Jib, Genoa and Spinnaker, She has six solar panels for extended cruising, a diesel generator, Central Heat and A/C, Lots of Storage and over 50k in upgrades, see full specs for complete photo's and equipment. This is the best performance/cruising Cat available.

Accommodations

Sleeps six in Three Berths(all pre wired with cat-5 internet and cable TV). Two Heads. Full Galley, Large folding teak table in cockpit. Large Salon with built in Desk. Everything needed to be a comfortable liveaboard or cruising yacht.
