SPECIFICATIONS

Overview

Clean lines, excellent versatility, and an attractive price combined to make the Silverton 37 Convertible one of the most popular boats in her class. The Silverton 37 has a single-stateroom floorplan with a full-size dinette. The salon is completely open to the galley in this layout, and the 360 degree wraparound windows make the salon seem unusually spacious and inviting. There's a stall shower in the head, and light oak throughout the interior. The cockpit is large enough for anglers, and the flybridge is arranged with guest seating forward of the helm.
