## DETAILED INFORMATION

---

### Comment

---

CELESTIAL is a fast motor yacht with fly bridge. She has a very personal character indeed due to the fact that she is a one off boat.<br><br>She has been exceptionally well designed from collaboration between 3 Italian designers SPERTINI, NAVARRO and CASTAGNOLA, originally associated in the ALLALUNGA Shipyard in Italy.<br><br>These three which have now split, have kept in common this very nicely designed hull, each of them adding his own personal idea of design and idea in her.<br><br>CELESTIAL has been built out of very nice material like mahogany, cherry tree and stainless steel.<br><br>The Italian carpenters have put all their great skill and now how in her construction.<br><br>CELESTIAL has had a complete refit in 2006 and 2007.

### Electronics and Navigational Equipment
