# DETAILED INFORMATION

---

## Vessel Walkthrough

---

IRISH MYST is a classic double cabin layout with the added benefit of a Cockpit. There is a comfortable Guest Cabin forward with a wet Head, Galley down opposite a large Dinette but open to the Salon next aft. Bright and airy Salon with both built in and loose seating. Master Cabin is aft with a center island berth, private Head with a tub/shower and a very handy door leading to the Cockpit. The mid Bridge and Aft Deck are close enough to carry on a conversation.

## Forward Guest Stateroom

---

The Forward Stateroom has a double berth to port with three drawers below. Forward is double door access to the anchor locker. To both port and starboard are fiddled shelves for storage. To starboard is a small vanity with a drawer and a built in upholstered seat with storage below. Next aft is a  $\frac{3}{4}$  height hanging locker. Also in this cabin are two opening port lights with curtains, two small overhead deck hatches, teak and holly sole, air conditioning controls, two reading lights and two stereo speakers.

## Guest Head

---

The Guest Head is next aft to port and includes a molded sink, double door vanity below, hand held curtain shower, Vacuflush toilet, two louvered storage locker doors and a hamper. The sole is molded fiberglass and there is an opening deck hatch above.

## Galley

---

The Galley is opposite to starboard, open to the Salon three steps up and includes the following equipment: Deep stainless steel sink w/removable spray faucet Separate tap – plumbed direct to watermaker to sample product Soap dispenser Princess three burner stove & oven Whirlpool Time Master microwave Novacool fridge & freezer (4/05) (2) Opening portholes (10) Cabinet doors (1) Drawer Teak & holly sole Opening deck hatch (2) Teak open rack storage areas GFCI outlet VDO water tank gauge S & K water makers remote panel

## Dinette

---

Opposite Galley to port is the large C shaped Dinette with two drawers below and additional storage under the cushions. The Dinette will convert to sleep two via a hi lo

teak table. Also in this area is a teak liquor locker, an opening porthole with curtains and three reading lights.

---

## Salon

---

Up three steps from the Galley and Dinette area is the spacious Salon. The entertainment center is forward to port and includes a LG 32" LCD TV receiver, ADCOM power supply, ADCOM tuner, ADCOM speaker selector and a Sony CD/DVD player. There are also three drawers in this area. Next aft is an open two shelf bookshelf followed by an L shaped settee with storage below. To starboard is the yacht's electrical panel, a sliding door to the wide side deck, two loose cane back chairs and five steps up to the Aft Deck. The side and aft windows have 2" teak blinds. Overhead is a teak grab rail, speakers, digital Marine Air AC controls and four AC/DC lights. The sole is teak and holly. Four large hatches give great access to the machinery spaces.

---

## Master Cabin

---

Aft and down three steps is the Master Cabin with an Island queen size berth with one storage locker at the foot of the bed. To both port and starboard are nightstands, the starboard side has one drawer and one locker. The port side has three drawers. Next forward is a vanity and drawer with six additional drawers next forward. Across the forward bulkhead are two louvered hanging locker doors, a 13" TV. Adjacent is a drawer, locker and dressing mirror. To starboard is the en suite Head followed by louvered teak doors and two drawers with an opening porthole above. It appears a single washer/dryer combo would fit into this locker if so desired. A great feature of this model is the hinged door to access the Cockpit just two steps up. This cabin also has a teak and holly sole, reading lights, a large window in the Cockpit, side port lights and an overhead DC lights.

---

## Master Head

---

The vanity top is molded with integral sink and three storage cabinets below. Above is a large mirror and an opening port light with drapes. The toilet is a Sea Land Vacuuflush model. A tub/shower is behind a Lexan door. There is also a large medicine cabinet, teak and holly sole and an exhaust fan.

---

## Foredeck

---

---

## Construction Details

---

William Crealock designed with a fine entry forward midship deep vee center section that flattens out aft for a great ride in rough weather. Hull sides are cored from the waterline up, solid below the waterline.

---

## Remarks

---

During 2014/15 IRISH MYST had the bottom peeled, was properly dried and recoated with a primer and paint (\$30,000). IRISH MYST represents a solid offering from a well respected designer and builder. She has received above average care over her life and is ready to go cruising with her new owner.

---

## Exclusions

---

While every effort was made to list all pertinent included equipment aboard IRISH MYST, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

---

## Exclusions

---

Owner's personal belongings.

---
