# DETAILED INFORMATION

---

## Accommodations

---

Echo Tango sleeps 8 in 4 Staterooms plus crew. The master stateroom is aft full beam with equal size VIPs forward of the master. The guest is further forward to port and then the over/under bunk cabin for the crew is all the way forward. Access to the guest and crew stateroom is starboard side forward of the galley. Access to the master is starboard of the Dining Salon.

## Aft deck

---

7 step Tracy Int'l boarding steps with teak handrail Freshwater wash down system High gloss teak bar top w/ starburst pattern Aft deck stereo speakers Teak aft deck Portside storage pod has Sea Doo RX waverunner Port/Stb side boarding gates stbd storage pod has dive tanks & water sports storage area Fog bell (3) removable stainless steel hoop rails on sport deck Shore water connection Curved transom seat w/ upgraded Sunbrella seats & covers w/ storage below (5) curved teak steps with lights on port side to sport deck (3) Tricomfort teak chairs w/ removable cushions & covers Custom center cleat for docklines watertight door to engine room Aft deck camera Hot & cold transom shower on sport deck Fender tracks port & stb 6 step stainless steel/teak ladder to boat deck (6) overhead stainless steel lights Life ring (2) Built in aft facing quartz lights U-Line refrigerator at bar telephone & TV inlets w/ cords High gloss teak table w/ starburst pattern & cover (2) door storage cabinets at bar Teak sole on fiberglass integral sport deck platform

## Salon

---

One enters the salon via the Aft Deck through curved stainless steel double doors. The full beam salon is bright and airy with large fixed windows to port and starboard. To starboard is a swivel chair followed by a custom 8 foot long entertainment center/cabinet. The eye-catching cabinet features mahogany door panels with a starburst pattern and black marble surface. The cabinet houses a liquor locker, drawer, U-line icemaker, and the salon's electronic equipment. Electronics include a JVC TH-A10 digital theater system, DVD & CD with AM/FM tuner, and 42" Electronic plasma TV. To port is a couch with a chaise section forward accompanied by a coffee table, end table with a mounted lamp, and a matching chair. Mahogany wainscoting, the overhead mahogany oval, the upholstered valances and the pull down duette shades add sophistication to the area, which is enhanced by strategically positioned halogen mini spots throughout. Fluted columns separate the salon from the Dining Area and are beautifully done in makore (African cherry) wood.

## Dining Salon

---

Forward of the Grand Salon separated by fluted columns and a built-in buffet, is the Formal Dining Area. The dining table has the same starburst pattern found on the cabinetry in the salon and is polished to a high gloss. It comfortably seats six. Aft of the table is a buffet with three cabinets and three drawers for accessories. An excellent example of the fine Lazzara's craftsmanship found throughout the 80 SC are the curved front beveled glass china cabinets, which offer interior lighting to display fine stemware and plates. Below are cabinets and drawers for dinnerware and table linens. To starboard is another buffet with four drawers and four cabinets, providing plenty of storage for additional dining accessories. Above the buffet is a double glass door cabinet with interior lighting that houses cocktail glasses. The buffet serves as a divider for the stairs to the lower deck owner and guest accommodations.

---

## Galley

The galley is located forward of the Dining Salon and is accessed via a sliding pocket door. This large country galley features top-of-the-line appliances and plentiful storage. To portside is a four door pantry with seven shelves. The centerpiece of the galley is the island, complete with granite countertop, stainless steel undermount sink with spray faucet and instant hot water dispenser, Bosch stainless dishwasher, and storage. The starburst pattern is once again carried over from the salon and dining area onto the forward side of the island's cabinetry. The galley also features a Kitchen Aid double door stainless steel refrigerator w/ water/ice dispenser, Kitchen Aid stainless oven/convection oven, Kitchen Aid 4 burner ceramic cooktop, GE Spacemaker stainless microwave with work light and exhaust fan below, Kitchen Aid stainless trash compactor, and two Sub-Zero freezer drawers with U-Line glass front wine cooler. Forward of the center island is a curved settee with accommodations for six. The table is granite with two fluted column bases. A windshield forward offers diners and chefs an excellent view from the area as well as plentiful natural light. The galley boasts authentic bamboo plank sole and an inset ceiling above the island accented by hidden rope lighting. Additionally, there are several mini spot halogen lights, stereo speakers, multiple A/C vents, a JCV KD5-670 AM/FM/CD player, and a Samsung 13" LCD TV. To starboard in the galley are the curved open tread steps leading up to the skylounge. Forward of the steps is the Day Head and further forward is the companionway to the crew area.

---

## Skylounge

Curved steps from the Galley lead up to the fully enclosed wheelhouse/skylounge. The sole of the pilothouse area is mahogany and holly with a high gloss finish. To port is a raised curved settee with storage below and a small pedestal table. The helm is wrap around and has a mounted Reccaro type Opacmare Helmseat with leather upholstery. The center windshield and one panel each on the port and starboard side lowers electronically. Fluted columns separate the wheelhouse and skylounge. The Skylounge is carpeted and to starboard is a curved four person sofa with a Hide-A-Bed underneath and an ottoman with storage in front. To port are an occasional chair, three storage cabinets and three drawers. The cabinets contain a 34" flat screen Panasonic HDTV, a JVC THA10 AM/FM/CD/DVD player, and a U-line refrigerator w/

icemaker. Overhead is an inset area of the ceiling with rope lights and eight halogen mini spots on the perimeter. Aft is a curved stainless steel "Trend" double sliding door leading

The port generator has 1639 hours and the starboard generator has 1652 hours

---

## Day Head

The Day head is located on the starboard side of the galley forward of the steps that lead to the skylounge. It consists of a marble sole, an undermount china sink, marble counters, a Microphor toilet, and a curved bow front cabinet. The dayhead has ample overhead lighting, beveled glass mirrors, Duette shades, A/C, and an exhaust fan.

---

## Master Stateroom

Entered via the main foyer going aft and through a double door entry is the full beam master suite. On centerline is a king berth with five large drawers below the berth. The berth has rope lighting in the toe kick and rope molding above the drawers. To both port and starboard are free standing nightstands with two drawers each. Twin fixture sconces are wall mounted above each nightstand. Between the lamps there is an upholstered headboard and a large beveled mirror above. The overhead has a curved wood crown molding with both rope lights and mini halogen spots as reading lights above. Overhead is a mirrored panel with eight halogen mini spots in the surrounding molding. To starboard starting aft is a chest of three drawers with three open shelves above. Next forward is a deck/vanity with a single drawer below. Above the deck are two sliding screens covering two vertical oval fixed port lights that provide an abundant amount of exterior light and feeling of openness. Furthest forward are three more matching drawers with a two drawer cabinet and two open shelves above. Toward the centerline is a walk in closet with eight interior drawers, open shelves, shoe racks and ample hanging space. A lockable storage locker within the walkin provides secure owner's storage in the event of charter use. The inside of the hanging locker door has a full size dressing mirror. To port are the same dual three drawer chests with open shelves above. Between the chests is a two person settee with storage under the cushion. On the forward bulkhead is a mounted 42" plasma TV. The Master Head is the nicest available. The flooring is slab marble with a black granite border. The vanity is high gloss mahogany with twin bow front undermount china sinks and a marble top with waterfall edge. The fixtures are gold and stainless. Seven cabinets, three drawers, and two large medicine cabinets offer plentiful storage. There is a full size Kohler Whirlpool tub undermount with marble sills and walls. The clear glass shower enclosure has a center door. Additional features include a Microphor head, a four shelf linen locker, overhead halogen mini spots, and an exhaust

---

## VIP Stateroom

The portside VIP stateroom utilizes half the beam of the vessel. The queen berth is athwartships

and walk-around on 3 sides. The base of the berth has 4 large drawers with rope lighting and rope trim molding. The headboard is upholstered with an inset mirror and two door cabinets on each side. The JVC KDS 670 AM/FM/CD player is located in 1 of the cabinets. There are two opening stainless steel portholes, upholstered valances, rope lighting, Duette shades, and reading lights. There is also a nightstand with two drawers, telephone, and light switches. There is a cedar lined hanging locker with mirrored doors. At the foot of the berth in the forward corner is a curved corner cabinet with storage and a Samsung 13" TV. There is an ensuite head with bow front undermount china sink, Grohe fixtures, bull nosed marble counters with matching floors, and Microphor toilet. The stall shower has a clear glass door with sidelight, a fiberglass stall, and hand held or wall mountable Grohe fixture. Head also has an exhaust fan, AC outlet, and four overhead minispots.

## VIP Stateroom 2

---

The starboard VIP stateroom has the same athwartships queen size berth which is walk-around on three sides. The base of the berth has four large drawers, rope lighting and a rope trim molding. Above the upholstered headboard is an inset mirrored area with a two door cabinet fore and aft. In the aft cabin is a JVC KDS 670 AM/FM/CD player. Above are two opening stainless steel portholes, and an upholstered valance with rope lighting above, Duette shades and reading lights. Aft of the berth is a two drawer nightstand with telephone and light switches. Next forward is a cedar lined hanging locker with a mirror on the exterior of the door. At the foot of the berth in the forward corner is a curved corner cabinet with two doors below, two open shelves and a Samsung 13" LCD TV above. Also in this stateroom is high gloss cherry wainscoting, seven overhead mini spots and silk wall coverings. There is an ensuite head with a bow front undermount china sink, Grohe fixtures, bull nosed marble countertops that match the sole and a Microphor china toilet. The stall shower has a clear glass door with sidelight, a fiberglass stall shower and a hand held or wall mountable Grohe fixture. Also in this head is an exhaust fan, an AC outlet, and the overhead minispots.

## Guest Stateroom

---

Accessed from the common area is a guest cabin with a queen size berth against the outboard bulkhead. Below the berth are two storage drawers and rope trim molding. Above the berth are four cabinets with a mirrored inset area centerline. Above is a shelf with two portholes, blinds and a JVD XVS60 DVD/CD player. At the foot of the berth is a Samsung 13" LCD flat panel TV and a full size lighted hanging locker with a mirrored door. Inboard of the berth is a two drawer nightstand with a reading lamp above. Adjacent to but forward of the Guest Stateroom is the private Guest head with a marble sole, a bow front cabinet with undermount china sink, a marble top, Grohe faucet, three mirrored medicine cabinet doors and a Microphor head. The fiberglass stall shower has a set, a bifold glass door, a handheld or wall mountable Grohe fixture, a light and an exhaust fan. Also in the head are three halogen mini spots overhead.

## Crew Quarters

---

Forward of the Captain's Quarters is the crew cabin with two over/under berths to port, each with a reading light. There are shelves above the upper berth and two drawers below the lower berth. Above is a screened overhead deck hatch. To starboard are four cabinets above two large cabinets below. Next aft is a lighted cedar lined hanging locker with a mirror on the outside of the door. The crew head is just aft of the entrance to the crew stateroom featuring marble sole, a bow front cabinet with undermount china sink, a marble top, a Grohe faucet, three mirrored medicine cabinet doors and a Microphor head. The fiberglass stall shower has a seat, a bifold glass door, a handheld or wall mountable Grohe fixture, a light and an exhaust fan. Also in the head are three halogen mini spots overhead.

## Crew Lounge

---

At the bottom of the crew area stairs is a large storage locker. Adjacent is a desk with two drawers, brass light and Lucite shelf. Outboard of the desk is a locker with a full size Bosch washer and dryer. Also in this area is a hidden fold down ironing board.

## Foredeck

---
