## Remarks

---

The C&C 37 is a moderate displacement, roomy, swift yacht, with a powerful rig that can comfortably accommodate your family or crew around the buoys or down to the islands. C&C designers hit the mark with the 37. The delicate balance between sailing performance and cruising accommodations is well executed, making this an ideal performance cruiser for families or a couple with guests. And when compared to other boats in this category, the 37 represents an exceptional value. **Esperanza** is an excellent example of this model and certainly one of the cleanest you will find anywhere.
