Fuel Type: Diesel

DETAILED INFORMATION

Remarks

The 29' Open is arguably the most popular 30' foot inboard express ever built! Great styling, fishability, versatile cabin accommodations and a tower with controls all contribute to her formidable run and popularity. With the biggest engine options, the Yanmar 315's, this boat will cruise at a respectable 20 knots and has good range as well with over 300 gallons fuel capacity. She is well maintained by an experienced fisherman and represents a good bargain in today's market. She received a **bottom job in March 2009!** Call now for a showing, this boat will not be available for long.
