---

## DETAILED INFORMATION

---

### Aft deck

---

Three staterooms for the owners party with ensuite baths. The main deck offers a large aft deck with L-shaped seating and dining table for 10, wet bar with icemaker, refrigerator and storage. The cockpit is accessed from the port side.

### Salon

---

The salon is traditional with access to the accommodations to starboard, along with the entertainment equipment. To port are comfortable sofas, chairs and a coffee table. Adjacent to the salon is an office/den area, open to the salon. There is also a spacious day head which includes a stall shower.

### Galley

---

Continuing forward, access to the pilothouse is from two steps in the passage way. Just forward is the galley with new cabinets/counters/floors '04, and formal dining salon. The dining area is currently configured as a den with queen sleeper sofa, but the dining table and chairs are stored. 4 Sub zero drawer refrigerators 2 Sub Zero Gaggenau 4-burner cooktop Gaggenau convection drawer freezers Stand alone freezer oven Asko 1805 dishwasher Asko washer/dryer

### Owner and Guest Staterooms

---

Owner and guest accommodations are accessed off the salon. The master stateroom is amid ships, full beam and offers a king bed, walk-in closet and large ensuite bath. Two identical guest staterooms are aft, both with side by side lower berths as well as ensuite head.

### Crew Quarters

---

Crew quarters are located on the lower deck, forward and consist of one private captain's stateroom with ensuite head, a second private stateroom with upper and lower berths and a large four berth cabin. Both these staterooms share a separate head and stall shower. The large crew mess is suitable for 7 people.

### Fly Bridge

---

The Flybridge has a full helm station and seating surrounding the helm. Room for two tenders, and various water sports "toys" are located aft of the helm station, while further aft is a built in

curved seating area under an awning.

## Electronics and Navigational Equipment

---

Plath Gyro compass	Raymarine GPS 85 Plotter	Ocean PC (2) display	
Furuno 72 mile radar	Simrad autopilot ICOM VHF	screens Nobletech chart plotter	Sat
		TVVHS (2)	

## Electrical System

---

New electrical distribution panels for both AC and DC sides. A majority of wiring has been replaced. There are two new 45 KW Isuzu 3-phase generators. Shore power system consists of single phase shore cables, one for the air conditioning system and one for the ships systems. Originally designed for three phase operation, there is a three phase inlet on the port side of the engine room with 1.5KVA Acme boost transformers, which feed three GE 15KVA isolation transformers. Phase converter transformer 50 mHz to 60mHz

## Deck Equipment

---

14' Rendova HBI (2000) with 80HP 4 stroke Yamaha 2 Anchors in hawse pipes each with 250' of chain Ideal 3HP 220AC windlass Life raft Marquipt tide ride ladder Teak decks, fore deck and side decks replaced 1998

## Construction

---

Steel hull with teak decks. The majority of the frames, all the tanks, and a substantial portion of the plating has been replaced. Basically as a general guide this would include; all tanks, 90% of the frames and 90% of the hull plating. **Refit:** All metal work such as new tanks, frames, floors, plating, cockpit and bulwarks have been redone as needed and inspected by Patton Marine.
