SPECIFICATIONS

Overview

Beautiful "custom built" 2004 32 Carrera. This 2004 32 Carrera build was personally supervised by owner, resulting in a precision fishing machine. She has many features desired by the serious fisherman including a 3010 Garmin GPS through hull sending unity, full instrumentation, hydraulic steering, reinforced rod holders, live well system with lights and more. Another strong point of this 2004 32 Carrera is her twin Mercury 250 Optimax Salt Water Series Outboards. These engines coupled with her Deep V hull with foam core stringers encapsulated using multi-directional "hand laid" fiberglass, will give you all the power, speed and wave cutting performance you need. She also has a custom brushed aluminum T-Top with mounted outriggers, windlass anchor system, fresh water wash down, walk-in head compartment with fresh water shower and dual 2000 GPH bilge pumps. This 2004 32 Carrera Open Fish, Center Console is designed for tournament fishing and is ready to drop and go! Owner is awaiting new Carrera and is eager to sell. Bring all offers!

Basic Information

Category: Sport Fisherman

Sub Category: Open
