ХАРАКТЕРИСТИКИ

Обзор

The Freedom 36 has gained a reputation as an easy sailing high-quality boat with a large interior. This boat has received constant care and maintenance. Traditional Freedom carbon fiber spar with all sail controls lead to the cockpit, which leaves the deck wide open for access to the anchor windlass. A self-tending jib and all lines leading into the cockpit again, make this boat an easy short-handed sailboat. She has two large private staterooms, a spacious main saloon with bulkhead mounted fold away table, sit down navigation station, and lots opening ports and hatches for ventilation. "Trinity" has been recently upgraded with electronics and sails. She has everything needed for coastal, offshore, shorthanded cruising. This boat is in very good condition and a pleasure to look at, particularly with her navy blue hull. Hull awlgriped navy blue with white stripes "06. Her bottom has Micron (Shark White) bottom paint applied each season and is hauled for the off-season every year .

Основная информация

ПОДРОБНОЕ ОПИСАНИЕ

Accommodation

This Freedom 36 sleeps 6 in two private staterooms and berths in the main salon. There is a vee berth with insert forward. Between the forward cabin and the main cabin is a spacious head and shower. The main salon has a straight settee to starboard with an "L" shaped settee to port. A folding table is mounted on the bulkhead and with the leaves both set in place, can accommodate 6-8 for dinner. A sit down nav station is aft on starboard with a double stateroom further aft by the cockpit. There is a very functional "U" shaped galley to port with a double basin, stainless sink, a three burner propane stove with oven, a large ice box refrigerated with Adler Barbour, and a unique waste disposal arrangement. There is also lots of storage. The main salon is varnished teak and is in very nice condition. The sole is also varnished teak and holly.

Sleeps 7 Headroom 6'2" Lots of storage throughout interior Light-blue fabric Custom window shades

Force 10 propane cabin heater V-berth has optional draws under berth All berths have high density foam 4 hanging lockers

Galley

A U-shaped galley with ample storage and good counter space. A stainless double sink, with hot and cold running water, with a 3 burner propane stove/oven makes this a functional galley. For those night at anchor there is a saltwater hand pump in the galley sink to conserve the freshwater while doing dishes. The 4" insulated icebox with 7.5 square feet of space is plenty of room and great holding capacity. There is plenty of storage along the outside bulkhead for supplies and dishware.

Extra 10 gallon tank for springwater w/ separate hand pump. Seafrst refrigeration is AC and engine driven. Propane stove has broiler

Electrical System

(3) batteries w/ selector parrell switch (two house 6-V Surrrette batteries new in '08 @ 255 amp and 1 /12-V Surrrette 85 AMP; Fireboy auto fire extinguisher system in engine room '03

Statpower 20 amp battery charger w. Heart Link 2000 inverter '00 12-V (DC) 110-V (AC) with shore cord 12-V outlets installed in cockpit, nav station and fwd cabin

Electronics

Autohelm 4000ST auto pilot 5" Compass at helm VHF Standard Horizon Radar, Raytheon, differential GPS and Chartplotter

Raytheon ST60 wind speed, knotmeter and depth '01 Pioneer AM/FM/CD palyer w/2-speakers in main salon & 2 in cockpit '06

Cockpit

All lines lead aft into the cockpit. With the self tending jib this is a perfect boat to single hand. An oversized cockpit locker and propane locker are located under the port bench. A classic pedestal with safety brake on a Edson 32" wheel (Elkhide cover) and a 5" compass. The teak table and cockpit cushions makes this a great place for a cocktails and appetizers after a great day on the water.

Hull & Deck

The Hull and Deck joint is a reverse flange bonded with 3M 5200 then mechanically fasten with bolts. The transom comes with Custom 48" teak swim platform w/SS boarding ladder and steps. All fills are high grade stainless. The deck hardware is made up of products from Barient, Harken, Schaefer and Forespar. Double lifelines with gates on port and starboard. Hull was awlgriped navy blue with white sripes in '06. Micron (Shark white) bottom paint is applied each season.

1-35lb Delta anchor w/40'HT chain & 200' 9/16" rode	Removable St Croix dingy davits
Fortress FX16 secondard anchor Saltwater wash-down	Cockpit cushions Wheel steering w/
Bottom stripped and barrier coated '96. Ablative bottom	teak table, drink and bincoulers
paint applied each season.	holders Bow pulpit with rails

Mechanical Equipment

The Yanmar 3GM30F with 27hp is mounted on vibration-absorbing rubber mounts. The engine compartment is insulated with foam, foil and lead shield to minimize sound. Engine and electronic related services preformed regularly.

MECHANICAL:

Bildge Pump's; automatic and manual 2-
Fire extinguishers Solar 32-watt flexible
panel to charge batteries on mooring.
