"LEXINGTON" is an excellent and rare example of this ever popular Grand Alaskan Motoryacht. Having been built by the present and original knowledgeable boaters, "LEXINGTON" features a lengthened Main Salon. Her Cockpit was forgone to make room for a larger Aft Deck and Swim Platform. All exterior bright work and teak decks were eliminated making for a cleaner more modern appearance and considerably less maintenance. "LEXINGTON" also features a beautiful traditional honey-colored teak interior with satin finish, classic wool carpeting throughout and a rare open Galley combined with her Pilothouse. Don't miss this opportunity to purchase a one of a kind, highly customized family motoryacht.
