---

## Accommodations

---

Built by Horizon Yachts with consultation from engineer/owner. This 82-foot yacht is an example of fine craftsmanship and technical sophistication and perfect for Pacific Coast cruising with the enclosed skybridge and secure walk-around decks. The vessel is fully equipped with redundant systems for safe and reliable operation, featuring advanced over-sized stabilization fully effective even at lower long range cruising speeds. A gourmet galley including a commercial gas range, separate crew galley/utility room, fully automatic ship's electric system which enables the vessel to exist on whatever power is available from 100amps 240v down to a single 50amp 120v plug. With a range of over 1000 NM at 11 knots, she is ready to cruise to wherever her new owner wants to go. *Custom interior, furniture, fabrics and accessories in 2007-2009!* High gloss ribbon cut teak interior with full teak and holly floors means easy maintenance. Salon is fitted with wall-to-wall carpet over Soundown noise insulating pad. Single helm and sky lounge on upper deck. Double wide hallway and double doors to master cabin with oversized ports for additional light and ventilation. Stainless steel window frames with operating windows and screens. Formal dining for six in salon. Spacious layout accommodates up to 28 for entertaining. Convenient day head located aft on the California deck. Forward are full-width midship master, VIP guest suite, and a twin guest stateroom midships, which has been converted to an exercise room. All parts are available to convert back to a stateroom. All staterooms have ensuite heads. Two cabins aft with a full size head, galley and utility area. Cabins are fitted with removable wall-to-wall carpet sections for ease of cleaning and access to hatches. All beds are furnished with custom Handcraft mattresses. Four epoxy deck chairs with pads for the California deck are included.

---
