---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Mercruiser

**Model:** 7.4

**Engine Type:** I/O

**Fuel Type:** Gas

---

# DETAILED INFORMATION

---

## Vessel Walkthrough

---

As you enter the boat from the oversized swim platform into the cockpit you will notice spacious seating for six with a removable table. To port is a convenient wet bar with refrigerator and sink. Moving forward to port is a companion/lounge seating area with enough room to stretch out. To starboard is the helm area with a large double seat. The cockpit offers a full bench seat at the helm (with adjustable helm seat), opposing the companion bench seat to port. Backing up to the helm seating is an aft facing bench seat facing a transom bench seat. The Cruisers trademark walk-through windshield grants easy access to the forward sunpad and anchor. This is a great safety feature.

Moving inside, you'll find a full-width queen berth forward, port side enclosed head and to starboard a U-shaped convertible settee. Aft "mid cabin" offers open seating/convertible sleeping for two. Galley is aft and to port and offers your typical galley appliances.

## Salon/Staterooms

---

- Cruise-Air A/C with SMXII digital control
- Forward full width berth
- Optional bedding package
- Port/starboard storage lockers
- Hanging lockers
