## Overview

---

Whether exploring the European canals, cruising the US east coast line or you want to visit the Caribbean. This yacht has not fly bridge with it's 12 ft clearing you can visit everything. With a 7.5 knots you spend 1 liter per mile and you have a 1500 nm range. With 16 knots, you spend 3.5 liters per mile and you still have 400 nm range. From New York to the Bahamas or from the Southern Caribbean to the US Virgin islands or Antigua you will get there in comfort. Self righting boat, which gives the E4 a CE category A in Europe Double glazed glass Kevlar reinforced hull
