DETAILED INFORMATION

Vessel Walkthrough

Entry into the spacious interior of the 57 Odyssey is made by sliding the starboard located salon door. The salon features an L-shaped sofa to port, entertainment center to starboard as well as ample storage throughout. A spiral staircase to the enclosed flybridge is located in the forward port salon section just aft of the galley. The galley is one step up from the salon to port and the dinette is located opposite of that to starboard. Proceeding forward and down several stairs the full beam master is located farthest aft on the companionway and features a full ensuite head. Moving forward there is a guest head to starboard and a guest cabin to port that features side by side beds. The forward cabin has an athwartship island bed and full ensuite head for the added privacy of your guest. The laundry center is also located on the companionway.

The enclosed bridge can be accessed from either the salon or exterior ladder to the bridge. The bridge features a centerline helm station, sofa, wet bar, and TV.

One unique feature to the 57 odyssey is the dinghy garage under the aft deck that can house most water toys and allow for an unobstructed bow.

Salon

CruisAir heating and A/C with SMX control

L-shaped sofa with storage underneath

Aluminum sliding salon door

Spiral staircase to bridge

Remarks

The "Mimi" is a low hour 57 that is seriously for sale. She is sitting at our North Palm Beach location awaiting your inspection. A roomy interior, good equipment, and a good turn of speed provided by CAT make this a very nice package for a buyer to consider.

Exclusions

Owner's personal belongings.
