---

# DETAILED INFORMATION

---

---

## Hatteras 60

---

The curved stairwell leads from the Galley/Salon area down to the companionway. Master cabin is on the port side and the 2 Guest cabins are forward and aft on the Stbd side. Just forward of the aft Guest cabin is the day head with washer and dryer down the hall. The VIP Stateroom with Queen Berth also has its own private head entrance. Throughout the boat you will find cherry wood interior with a standard water base finish. The Master Stateroom is equipped with an oversized queen berth and a 20" LCD TV. Nightstands on either side provide storage, as does a full dresser forward of the Stateroom. Twin cedar-lined hanging lockers are accessible aft of the Stateroom and provide additional sound insulation from the engine room. The Master head features a fiberglass stall shower, Amtico strip flooring and solid-surface countertops and backsplashes. There is a keyed lock for the entrance door. The VIP Stateroom, similar to the other Hatteras models, features a walk-around queen berth with cedar-lined hanging lockers, drawers and optional cabinets in the hull sides. The starboard Stateroom features twin over/under berths with storage beneath. The standard arrangement provides for maximized storage below the upper berth as well as twin lockers outboard, which can be used as a rod locker or bulk storage for long trips.

---

## Cockpit

---
