Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

The Cruisers 4270 Express has a spacious open floor plan with a two stateroom two-head layout. The guest stateroom aft has two single berths (with filler to convert into a king), hanging locker and an ensuite head. Forward to the salon you have a large wraparound dinette to port and a well-appointed U-shaped galley opposite on the starboard side. Forward of the galley is a large head with a stall shower. The huge master stateroom is forward and features two hanging lockers, private access to the head and an oversized center line queen berth. You will find a very generous amount of storage throughout this vessel. There are two overhead hatches for natural light and ventilation as well as opening ports along both sides.

The exterior is equally impressive. From the optional extended swim platform you access the wide-open cockpit on the port side. There is a U-shaped seating area on the starboard side with a removable table and a wet bar and cabinetry on the port side. Moving forward and up a couple of steps is the well designed helm with an adjustable bench seat to starboard and additional passenger seating on the port side. You have safe and convenient access to the bow of the 4270 Cruisers via molded stairs and a center opening in the windshield.

New Interior Carpet - July 2009

Salon

- Convertible Dinette/Sofa with crescent shaped seating
- New TV
- Off-White Cabinetry
- Cabinet and Sofa Storage

Galley
