Remarks

Enticer is a first class example of the Mathis/Trumpy “houseboats” that were very popular from the twenties through the fifties. She has enjoyed good ownership during her life which has always included professional maintenance and constant upgrading which is reflected in her present condition. She is unique for this kind of yacht due to the fact that she is Coast Guard Certified for up to eighty passengers plus crew. This means she can do day and evening charters with large numbers, do term charters, in addition to being a very special yacht for family use.
