COMMENTS

1929 was not a good year for investors, but it is now... HIGH TEA is an absolutely stunning example of a "Gatsby" era yacht from a by-gone time. She has been beautifully maintained without regard to cost by her present owner. Represented in show condition, HIGH TEA will surely not disappoint upon inspection. She is a useable and practical well built classic in turn key condition. Highly recommended by this office.

Exclusions

Owner's personal belongings.
