**Model:** 6-71TI

**Engine Type:** Inboard

**Fuel Type:** Diesel

# DETAILED INFORMATION

## Accommodations

Boarding from the transom you will encounter a sizeable cockpit with one central marlin chair and four sailfish chairs at each corner. A tremendous 100 gallon live well is below deck. The forward cockpit has a large tackle center with a second set of engine clutch controls. There are two large etched glass bi-fold doors on each side of the forward cockpit, giving access to the salon. The etched glass depicts big game fishing scenes. Entering into the salon you will find a great layout for a charter vessel. There is a large u-shaped center island counter with sturdy grab rails all around and several bar stools to allow dining at the counter. The overhead and walls are covered in a soft berber carpet. The sole is parque. There is a large berth forward starboard which converts to a settee and table. The fully equipped galley is forward to port with stainless steel sink, refrigerator, freezer, microwave and lots of storage. The port aft salon consists of the A/C D/C distribution panel and tackle center. Off to the starboard side is a removable cooler. There are large windows on the port and starboard sides of the salon which bring in plenty of light. There is rod storage above the salon for 20 rods. Moving forward down six steps into the forward companionway you will find two berths to port, one single above and one double below. Across to starboard is an enclosed head with sink and vanity along with an enclosed shower stall. Entering the forward stateroom is a cabin with a v-berth which is now used for storage. Both cabins and head have deck hatches and lots of storage.

## Galley
