## Overview

---

A classic deep-V fishing boat that has never been equaled in popularity with offshore anglers. Its rough-water sea-keeping abilities are legendary. Salt Lick has been professionally reconstructed by Cay Marine Services, Miami. While leaving the forward reconditioned windows of the cabin as original, the entire cabin has been remodeled including a one level teak and holly sole, galley countertops, head , forward berth and L-shaped settee. The Yanmar 315 hp diesels propel Salt Lick to speeds of 32 knots. The half tower has Rupp outriggers and the flybridge has classic instrumentation along with a Garmin plotter/fish-finder. Saltlick is truly a masterpiece constructed for one lucky sport-fisherman.
