DETAILED INFORMATION

Accommodations

The aft deck is a spacious area with nice built in seating along the transom. This area offers loads of potential for entertaining with family and friends. The carpet optional deck and built in ice maker make this a very usable space while at the dock or at anchor. The staircase to the flybridge is easy to manage with wide built in steps and plenty of places to lend a hand on the way up.

The fly bridge has great 360 degree visibility that allows for safe operation underway and unmatched views at each port of call. This deck has a versatile setup that allows your guest to ride right alongside the captain in one of the three forward or aft facing swivel seats. Or you may want to lounge on the spacious u-shaped seating area with a very large table which includes built in cup holders on each corner. This area also converts to a very large sun bed that can be utilized with the Bimini top up or pulled back for maximum sun exposure for that perfect summer tan.

The main salon is roomy while offering ample seating for you and your guest with two leather sofas on either side and one that electronically converts into an extra berth. The salon, galley, dinette and even the aft deck all open to each other so that you don't have to feel isolated if you're the designated chef for the evening. This is truly a very functional area with a light and open feel provided by large windows all around and beautiful sliding glass door leading to the aft deck.

Salon

- Neutral colored carpeting
- Pedestal base with table top
- Center facing sofa with storage
- SMX AC controller
- Panasonic 13" color TV with VCR
- 2 stereo speakers
- Sliding glass entrance doors with full length curtain
- Large hidden sliding storage locker

- Center facing sofa, converts to sleeper

The galley is located two steps down from the salon and as mentioned above, is very open to the dinette, salon and aft deck. This galley offers a whole lot of storage with a full size pantry, plenty of deep cabinet storage and a very large storage area under the deck (Great for Bahamas Cruising!). The galley also offers good counter space, large sink, microwave, stove, large fridge/freezer combo and a very light, open feel.

Forward of the galley you will find two beautifully appointed cabins with two full baths. The first of the two staterooms is a portside side by side berth stateroom with full mirror, cedar lined hanging closet, TV, stereo, and small sitting area. Forward of this is a full guest bath on the port side with separate head and shower and plenty of room to get ready for the day. The master stateroom is located all the way forward with its own master bath to the stbd. Side. The room offers a pedestal bed which makes it very easy to both get up on and make the bed. One cedar lined hanging closet on the port side and a full size (two doors) cedar lined closet on the starboard side with great space! This room also offers: Upgraded flat screen TV, stereo, DVD, and lots of storage throughout.
