SPECIFICATIONS

Overview

Also available is the Argos G100 for delivery summer 2013.

Meet the Argos 92. She's an entirely new and uncompromising motor yacht experience, designed and built to overcome accepted trade-offs. The result: style, performance and trans-oceanic range, reliability and safety.

The Argos motor yacht is the result of a breakthrough concept and design by Argos Marine, with naval architecture by renowned marine architect Howard Apollonio. Introducing SkySuite™ Argos Gulfstream Series motor yachts are the only motor yachts under 120' with a second deck master stateroom, the new and exclusive SkySuite™. Positioned amidship and high above deck, the SkySuite™ offers 270-degree panoramic views and provides her owner with unsurpassed privacy, quiet and comfort. Unprecedented Style Aggressive yet classic, she is as visually striking as the most attractive European yachts, and with unsurpassed stability and seaworthiness. Featuring elegant lines that are bold and balanced, she makes an entirely new style statement that sets you apart. Speed and Range She is designed to achieve speeds to 35 knots while providing the displacement-level efficiency required for trans-oceanic cruising. For example, equipped with the smaller C-32 1650 HP CAT engine package, she delivers a 2,400 nautical mile range at passage-making speed of 9 knots, and offers top speeds to 26 knots. Greater Seaworthiness She is purpose built for frequent Gulf Stream crossings, challenging seas and trans-oceanic range. Her uniquely low profile results in a low center of gravity and significantly reduced roll. High-tech materials further increase her stability, strength and efficiency. Breakthrough Hull Her proprietary semi-displacement hull is tuned for an especially soft ride into six-foot seas at speeds exceeding 20 knots. Her carefully optimized V angles, soft chines and streamlining provide a more natural lift and significantly reduce bow wave, pounding, drag and roll. The result: a uniquely faster, smoother, quieter ride. Uniquely Spacious She features expansive, inviting social areas. With her tri-deck layout and the liberal 820sq.ft split-level sundecks, she provides you infinite possibilities for entertaining, large tenders, and helipad capabilities. With the Argos G92 you can enjoy the enormous master SkySuite™ stateroom, with three generous staterooms and crew quarters for four. Unsurpassed Privacy Privacy is an Argos priority. In her standard crew-forward arrangement, the Gulfstream models are the only vessels in this range that allow a full live-aboard crew to manage the vessel without infringing on owners' salon or aft-deck spaces. The Argos design features direct crew access from crew quarters to pilothouse, bow, guest staterooms and the galley. The result is a level of privacy unlike motor yachts of comparable size. Custom Layouts Choose from master SkySuite™ stateroom, SkyGalley™ or SkyLounge options. Select from four staterooms and four crew forward, a five-stateroom layout with crew aft, or from additional configurations that perfectly meet your needs. Engine Flexibility Her advanced hull and engineering allow for a broad range of engine options, from 600 hp Volvo to 2400 hp V16 MTUs offering speeds to 35 knots. Twin C-32 CAT (1650 hp) provide 26 knot top speed and 23 knot cruise.

Rigorous Testing Extensive tank-testing was undertaken at the B.C. Maritime Research Institute. Over sixty trial runs were made using multiple hull configurations, 10-35 knot speeds, and sea states from calm to 10 feet. Contact us today for a new build opportunity!

Basic Information

Category: Cruiser

Sub Category: Long Range Cruiser

Model Year: 2014

Year Built: 2013

Country: United States

Fly Bridge: Yes

Dimensions

LOA: 92' 0" (28.04m)

LWL: 88' 0" (26.82m)

Beam: 22' 0" (6.71m)

Min Draft: 5' 6" (1.68m)

Speed, Capacities and Weight

Cruise Speed: 24 Kts. (28 MPH)

Cruise Speed Range: 3999

Max Speed: 28 Kts. (32 MPH)

Displacement: 160000 Pounds

Gross Tonnage: 1 Pounds

Water Capacity: 600 Gallons

Holding Tank: 300 Gallons

Fuel Capacity: 4000 Gallons

Accommodations

Total Cabins: 4
