SPECIFICATIONS

Overview

If you are looking for the absolute best value in a pedigree sportfish, you have found it here. "Top Gun" has to be the best-kept 54 on the market today. Her owner has spent over \$150k in documented improvements to her, including a complete awlgrip repaint, a modernized interior including salon and galley reconfiguration, underwater lights, new electronics and helm layout. She also sports fresh 12V92's with 1600 hours and shows great inside and out!

DETAILED INFORMATION

Accommodations

If you are looking for the absolute best value in a pedigree sportfish, you have found it here. "Top Gun" has to be the best-kept 54 on the market today. Her owner has spent over \$150k in documented improvements to her, including a complete awlgrip repaint, a modernized interior including salon and galley reconfiguration, underwater lights, new electronics and helm layout. S

Vessel Walkthrough

Upon entering the salon, one will immediately notice that this isn't a typical 54. The interior has been completely updated from floor to ceiling. To starboard is a new bar and entertainment center with flush-mount hi-def flatscreen. To port is a new L-shaped leather couch, ottoman and custom coffee table. Forward, one will notice that the galley is different from other 54's. The conventional refrigerator has been removed, the galley has been cut down, Corian countertops and Sub-Zero slide-out drawers have been added. It truly makes the salon look 30% larger and 20 years newer! To starboard of the companionway entry is a custom-built liquor cabinet in place of the original entertainment center. The staterooms and ensuite heads show equal attention to detail and have been updated, including new carpet/Amtico flooring, wallcoverings, bedding, audio/video and a new laundry center.

Salon
