SPECIFICATIONS

Overview

Looking for a unique, high performance center console? Want to own a one-of-a-kind Cigarette? Here's your opportunity to own a one-off Cigarette 28SS custom built center console. The owner bought this boat new in 1977. In 2005 he decided to purchase a center console as a tender for his yacht. Instead of selling his beloved Cigarette, he had it completely stripped down to bare hull and deck and highly-modified to an open CC with new outboards, running gear, instrumentation and mechanicals. It now runs faster and better than ever- and it can raise fish! It is very similar to the custom Cigarette that George Bush, Sr. had built and fished for many years.

Don't spend \$200k on a 28' center console when you can have a pedigreed race-proven Cigarette 28 with fresh power that can get you to the grounds at 75+ MPH! If you want something that can blow the doors off of your friends' rides and get you out there first, then this is your boat.

Basic Information

Category: Sport Fisherman

Sub Category: Center Console

Model Year: 1977

Year Built: 1977

Refit Year: 2005

Refit Type: Hull Configuration

Country: United States
