## Basic Information

Category: Sport Fisherman	Sub Category: Sport Fisherman
Model Year: 2008	Year Built: 2008
Country: United States	

## Dimensions

LOA: 35' 0" (10.67m)	Beam: 12' 0" (3.66m)
Max Draft: 3' 0" (0.91m)	

## Speed, Capacities and Weight

Cruise Speed: 26 Kts. (30 MPH)	Max Speed: 34 Kts. (39 MPH)
Displacement: 14000 Pounds	Water Capacity: 40 Gallons
Holding Tank: 12 Gallons	Fuel Capacity: 300 Gallons

## Accommodations

Sleeps: 2

## Hull and Deck Information

Hull Material: Fiberglass

## Engine Information

---

**Engines:** 2

**Manufacturer:** Cummins

**Model:** 2X QSB 5.9

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Description

---

This highly customized 35' walk-around sport fisherman was designed for serious fishing. It is the perfect platform for South Florida sailfishing and swordfishing as well as Bahamas and NE canyon trolling/chunking. The walk-around with inboard mounted tower legs allows full 360 degree fish fighting capability (for multiple hook-ups or swordfish drifting). The twin diesels provide maneuverability, reliability and economy, and the forward cuddy provides a V-berth with plenty of "always on board" tackle and gear storage. The cabin features 2 side-by-side berths with a filler cushion creating 1 oversized berth with custom rod storage underneath. There are 2 kite rod holders, 26 hanging rod holders, and a storage area for multiple kites. The hanging locker stores a helium tank for kite balloons as well as dive tank and gear. A workbench with lockers below and a sliding door locker above replaces the usual galley area. A custom designed helm seat provides a highly functional and ergonomic tackle center/rigging station/live well instead of the usual pedestal chair. There are 2 permanent live wells and a portable pitch bait well plumbed into the bow. The cockpit is also plumbed for 2 additional on deck wells or tuna tubes. The cockpit accommodates a 6 rod rocket launcher and a removable IGFA approved stand-up battle station. The hull has 4 underwater lights for night swordfish/bait fishing and an Armstrong bracket on the transom for diving/swimming. Under gunwale storage includes brackets for gaffs, harpoon, tag stick, deck brushes, and 2 fly rod tubes. 5 high power Odyssey batteries provide a 24-hour reserve capacity at 25 Amps for overnight offshore fishing. The electronic controls include trolling valves and synchronizer, which combined with the autopilot, allows the ability for a one-man fishing operation.

## Broker's Comments

---

Paul Scopinich builds a gorgeous 35' walk-around sport fisherman with truly beautiful lines. You'll find plenty of room in the 100 sq. ft. cockpit for all types of fishing. The walk-around allows the skipper to go forward to tend bow lines, or set an anchor without having to climb up or down and there is no step in the deck for a hooked up angler to trip over if he or she circles the boat while fighting a fish. She is one of the nicest diesel powered, serious angler day boats ever designed, boasting a 26-knot cruise while making 34 knots on the pins. A proven fish-raiser as well as a head turner – don't miss this rare find!

## Helm

---

The helm features a power raised electronics dashboard flanked by fore and aft seating and an additional overhead electronics box. There is deck area forward of the helm for carry on coolers. The helm seat features a highly functional work station complete with: 3 storage/tackle lockers, 1 tackle locker with 4 Plano trays, cutting board/rigging station, 3 rod holders/2 cup holders, 2

leader dispensers, 40 gallon live well, and fore and aft facing seats. The entire helm deck is mounted on a hydraulic deck hatch providing access to the engine room.

Ritchie Compass

Custom Steering Wheel with Power Knob

3 Sided Enclosure

Folding Footrest

Overhead Lighting-White/Blue

Fiberglass hardtop

Bausch-American tower with full controls, electronics and fiberglass z-top

Anchor locker

Heavy-duty hardware

Raised helm deck

Custom helm seat

Trim tabs

All deck hatches are lockable

Armstrong swim ladder and bracket

---

## Electrical System

---

5 Odyssey PC-1800 Batteries (3 house/1 each engine)

50 Amp Xantrex battery charger

30 Amp shore power

Bonding system

Ships electrical panel

12V/110V systems

Shore power cable

Battery switches

Circuit breakers

Engine room lights

Cabin lights

2-12V power plugs (at helm & in cabin)

## Electronics

---

### Electronics Helm Area:

Navnet VX2 1944C 64 mile radar/GPS plotter/depth finder w/ Hi-Def digital 1KW transducer

Garmin 4208 GPS plotter/depth finder w/ satellite weather receiver

Simrad AP16 Auto-pilot

Ritchie compass

2 Icom 501 VHF base units w/ 2 Icom power mics

ACR Remote spotlight

Clarion CMD5 Receiver/CD player with remote and 4 speakers

Cummins/Mercury Smartcraft system

### Electronics in Tower:

Garmin 4208

Simrad AP16

Ritchie Compass

Icom 501 VHF

Digital Tachs

Electronic engine controls

## Fishing Equipment

---

### Bausch-American Tower

---

Lee single spreader outriggers

Center rigger

14 rod holders on tower frame

37 rod holders in gunwales; 16 of which are heavy duty, 0 degree swivel base

7 spreader lights (360 degree lighting)

6 Marincos outlets, forward, midship and aft for electric reels

40 gallon on-deck live well in helm seat

45 gallon in-deck live well

Portable pitch bait live well plumbed at bow

Plumbing for 2 addl. on-deck live wells/tuna tubes in cockpit w/2000 GPH pumps

Large fish box

6 rod rocket launcher and pedestal

Stand-up battle station (IGFA approved)

4 Ocean LED underwater lights (blue) 2 facing down/2 facing aft

Fresh and saltwater wash down

Under gunwale storage brackets for gaffs, harpoon, tag stick, deck brushes, and 2 fly rod tubes

## Mechanical Equipment

---

2X QSB 5.9 Common Rail Cummins Diesels 380 HP

ZF Gears with trolling valves

Glendenning synchronizer

Racor 900 MA filters

X-change-R oil change system

Fire boy – Fire suppression system

7000 BTU A/C

110 Outlets

3 Bilge Pumps

Walker Air Seps

Hynautic Steering

Manual oil and temperature gauges on engines

Dripless shafts

Hydraulic ram to raise deck

Large storage area for tools and gear in engine room

---

## Exclusions

---

Fishing tackle

---

## Exclusions

---

Owner's personal belongings.
