SPECIFICATIONS

Overview

By far the nicest 65 Ocean Odyssey built to this day, she is loaded with options and her fly bridge has more equipment than most 100ft Yachts. From the minute you walk in the salon you will notice that the owner keeps here in pristine condition and spared no cost in building this magnificent yacht. She only has 240 hours, jet boat for a tender, upgraded AC that will freeze the interior in minutes, the latest RayMarine technology, underwater lights, fresh bottom paint (Micron 66), prop speed, hull and topsides just waxed, engine room looks better than a new boat. She has 3 cabins with 3 heads and a laundry room that can be converted to a fourth stateroom. Call for more detail, owner may take a smaller boat in trade.
