

LIQUID THERAPY — VIKING

Builder: VIKING

Year Built: 2008

Model: Sport Fisherman

Price: PRICE ON APPLICATION

Location: Mexico

LOA: 74' 0" (22.56m)

Beam: 19' 4" (5.89m)

Min Draft: 5' 6" (1.68m)

Cruise Speed: 30 Kts. (35 MPH)

Max Speed: 37 Kts. (43 MPH)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **Liquid Therapy — VIKING** from our catalogue. Presently, at Shestakov Yacht Sales Inc., we have a wide variety of yachts available on our sale's list. We also work in close contact with all the big yacht manufacturers from all over the world.

If you would like to buy a yacht **Liquid Therapy — VIKING** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

SPECIFICATIONS

Overview

“Liquid Therapy” is currently the only late model 74 Viking Enclosed Bridge on the market. “Liquid Therapy” is spectacular in so many ways. She is powered by twin MTU 16V2000 (2028 hp) M’91s with only 1750 hours. The desirable 4 stateroom layout is spotless and features the satin teak interior wood package. Most of the electronics have been updated or replaced since 2012 including the addition of a new HD7Satellite system and Furuno TZ Touch display. In early 2013, “Liquid Therapy” received a new tower from Palm Beach Towers that was fully fitted with new electronics as well as the addition of hydraulic outriggers, cockpit air conditioning, and a new Release Marine fighting chair. She had been maintained to stringent mechanical standards and shows extremely well from a cosmetic viewpoint. Look at the full specifications portion of the listing for a full breakdown. You will not be disappointed!

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2008

Year Built: 2008

Country: Mexico

DETAILED INFORMATION

Salon

- Satin teak interior wood
- Air conditioning controls
- Hunter Douglas silhouette blinds
- Spiral staircase to bridge
- Carpeting with lead lined padding for sound absorption
- Teak salon cocktail table
- Oversized L-shaped salon sofa finished in Ultra-leather with storage underneath
- Amtico bamboo flooring at entryway
- Fixed frameless side windows with tinted, tempered glass for style, natural lighting, and privacy
- Home theater with 50" Plasma TV on an actuated raise and lower mechanism accompanied with a Bose Lifestyle system for maximum surround sound and effect.
- Clear ice maker
- Xenon overhead lighting recessed in the headliner with dimmer switches, and indirect rope lighting behind the valances
- Main electrical service panel in cabinet at entryway
- Electric sliding entryway door
- Teak cabinetry with drawer, open storage, and bottle storage
- Teak salon valance boards
- Carpet runner
- Decorative custom sandblasted and lighted "Sea Scape" scene on aft salon window
- Faux baby ostrich headliner material
- Icom remote VHF radio at entryway

Galley & Dinette

- Custom Amtico bamboo flooring
- Custom galley island with Sub Zero under the counter refrigeration and freezer drawers
- (2) moveable galley bar stools
- Dinette couch with removable cushions and storage underneath
- Teak dinette table with thru-bolted teak pedestal
- (4) Burner Gaggenau surface mounted electric
- Garbage disposal
- Sharp Carousel Microwave/Convection oven located in upper galley cabinet
- Stainless steel galley sink
- Storage cabinets in upper galley with deep pull-out drawer with ball bearing slides for smooth movement and latches to keep drawers in place while underway
- Storage cabinets and drawers in lower galley for utensils and other items
- Kenmore trash compactor
- Kitchen Aide Dishwasher

- range
- Galley exhaust fan
- Fluorescent lighting
- Custom granite galley countertops “Santa Cecilia”
- Overhead Xenon lights with dimmer switches
- Custom teak backsplash

Day Head

- Custom Granite counter tops
- Head hunter head system
- Towel bar and rings in brushed nickel finish
- Custom designer wallpaper
- Forward oversized storage locker
- Amtico bamboo floors
- Grohe brushed nickel faucet
- Electrical room/storage access behind head

Companionway

- Snow White Awlgrip bilge areas with access hatches and lighted for ease of maintenance and cleaning
- Carpeting from the galley throughout the companionway hall
- Vertical teak decorative strips between wall panels
- Central vacuum unit connection with accessories
- Curved staircase with banister along starboard hull side
- Laundry center with stackable Whirlpool washer and dryer behind teak door
- Lighting is overhead Xenon lights recessed in the headliner
- Wall panels and headliner are individually installed with Velcro backing for ease of accessibility
- Water tank level gauge and pump indicator located in sub-panel in companionway
- Carpet runner
- Custom port style feature window in companionway with fabric cover for sun

Master Stateroom (Midship)

- King-size, walk-around bed facing fore and aft with lift up top with gas pistons and maple lined storage compartment underneath and (2) storage drawers
- Custom port style feature window in stateroom with fabric cover
- Memory foam mattress
- Mirrored wall behind custom upholstered headboard
- Entry credenza with drawer storage
- Bose Lifestyle entertainment system
- Air conditioning controls
- Carpeting
- Twin maple lined hanging closets
- Custom teak vanity/desk area
- Custom designer bedspread
- Xenon lights and decorative indirect rope lighting underneath bed platform
- Port side credenza with drawer storage
- Hard mounted bed side lamps each side
- Telephone outlet
- Sharp 32" LCD flat panel TV

Master, Guest & Crew Heads

- Air conditioned/heat with register in soffit
- Custom Amtico flooring
- Custom granite countertops
- Exhaust fan with vent in soffits
- Headhunter head systems
- Linen storage (Master and VIP Heads)
- Lower vanity with curved teak face
- Overhead Xenon lights recessed in soffit and ceiling
- Medicine cabinet with mirrored doors
- Mirror around upper vanity inset
- One-piece custom frameless shower door in master head
- 120V GFI receptacle
- Shower light
- Sink with Grohe faucet
- Stall shower
- Towel bar and ring

VIP Stateroom Forward

- Centerline queen size walk around bed with lift up top and maple lined storage underneath and (2)
- Hanging locker is maple lined and spacious with bar for hanging clothes
- Port and starboard storage

storage drawers

- Xenon lights and decorative indirect rope lighting underneath bed platform
- Stereo speakers recessed in headliner are tied into the salon stereo and feature volume control
- Mirrored area above head of bed
- Air conditioning controls
- Carpeting
- Custom designer bedspread

cabinets

- (2) Overhead reading lights with switches
- Sharp Aquos 26" LCD Flat panel TV
- JVC 12V DVD/stereo
- Teak storage shelf

Port Guest Stateroom

- Upper and lower berths with storage beneath the lower berth
- Hanging locker is maple lined and has bar for hanging clothes
- Storage drawers located under hanging locker
- Air conditioning controls
- Carpeting
- Stereo speakers hidden in soffit are tied into the salon stereo and feature volume control
- Xenon lights and decorative indirect rope lighting underneath lower bunk rail
- Designer style bed spreads
- Sharp flat panel TV
- JVC 12V DVD/stereo

Aft Crew / Guest Stateroom

- Upper and lower berths with storage beneath the lower berth
- Hanging locker is maple lined and has bar for hanging clothes
- Storage drawers located under hanging locker
- Air conditioning controls
- Carpeting
- Stereo speakers hidden in soffit are tied into the salon stereo and feature volume control
- Xenon lights and decorative indirect rope lighting underneath lower bunk rail
- Designer style bed spreads
- Sharp flat panel TV

Enclosed Flybridge

- Raised wrap-around helm console with black ultra-leather surfaces to reduce glare and hold an excessive amount of electronics
- Air conditioned with reverse cycle heat, temperature control and dehumidification mode
- Elevated L-shape sofa lounge with custom ultra-leather and storage beneath
- Teak cocktail table
- Companion seats both port and starboard side. Starboard has been modified to an L-shape bench seat. Both finished out in Black ultra-leather to match the helm chair.
- Black ultra-leather Stidd adjustable helm chair
- Overhead recessed Xenon lighting
- Large under helm storage area
- Forward main steering station. See electronics section for full breakdown of electronics.
- Fly bridge Sub Zero refrigerator drawers
- Fly bridge U-Line wine chiller
- Fly bridge 20" Sharp LCD flat panel TV
- Fly bridge 12v multi zone fusion stereo with remote heads in cockpit and tower (new 2013)
- Upholstered overhead wiper box with switches mounted centerline
- Upholstered window valances
- Carpeting
- Fixed side and aft windows
- Tempered curved windshield made of laminated safety glass
- Weatherproof lockable fly bridge door to upper aft deck
- Central vacuum connection
- Molded fiberglass seat on the aft observation deck with cushion and storage underneath
- Pod style aft docking station with surface mounted controls on upper observation deck
- Quartz lights in overhang. Additional LED lights added to the tower. 2 facing rear, 1 forward
- Upper aft deck stereo speakers
- Aft deck camera
- MIA EPOCH US9 Electric Teaser Reels (new 2013)
- Rear Deck observation seating with new cushions in 2014

Electronics

The electronics package is quite impressive with a very clean finished look. The curved helm accommodates (3) 17" and (2) 15" VEI LCD display screens as well as a backup 8" Northstar GPS/Plotter. The vessel is equipped with an onboard computer system.

Pilothouse electronics:

- Furuno 72NM radar with 12kw open array
- Furuno Navnet 3D Chart plotter
- Furuno Navnet 3D bottom machine with 2kw sounder module and 50khz/200khz transducers
- Furuno AIS receiver
- Furuno RD30
- Furuno NavPilot 500 with 4.6" display
- VEI/Marci 24VDC Navigation computer equipped with weather system
- (3) 17" VEI LCD display screens
- (2) 15" VEI LCD display screens
- Northstar 6100 8" back up GPS/Plotter
- (2) Icom 604 VHF radios
- ACR RCL100 24V dual lamp remote spotlight
- (3) Elbex remote cameras (Aft deck and engine room)
- Eskimo ice machine control head
- Octoplex display panel on helm
- SAT phone
- 12V cigarette style receptacle
- MTU back-up control panel

Satellite TV/Communications/Security:

- KVH M7 satellite TV system with 24" dish
- (4) receivers
- IR remote
- KVH FB250 Inmarsat broadband communications system
- Syrens Amplified Wi-Fi antenna system
- Magellan Security system with satellite reporting

Aft station electronics:

- Furuno RD30
- Icom remote VHF station remote
- Furuno secondary autopilot control

Cockpit

- Observation mezzanine with starboard aft facing lounge seat with covered cushions (new 2014), hinged seats with storage under lounge area, tackle cabinet with pull-out drawers and 2 large bait freezers
- Teak cockpit and mezzanine flooring
- Fiberglass boarding box with teak step pad
- Cable TV and telephone connections in cabinet under starboard gunwale and wired to a home run:
- 6 Rod holders on covering boards
- Rounded cockpit coaming
- Sea water wash down with pump in engine room and supply at cockpit dockside box
- Self bailing cockpit with oversized scuppers

- - RG6 TV cable to accommodate SAT system
- -CAT-5 phone cable to accommodate data phone systems
- Cabinet with storage for gaffs and other items under gunwale
- Dockside electric connections (2) 50amp/220v electric
GlennDinning cablemasters
- Dockside water connection
- Electric sliding salon door
- Engine room access hatch
- Extended fly bridge overhang for shade
- Fresh water wash down with hose bib located under
gunwale
- Grab rails at cockpit haunches
- Rope lighting underneath coaming
- One Piece aluminum ladder to fly bridge powder coated
white
- Cockpit lazarette hatch with access to steering, trim tabs, and
drain pumps
- In deck storage boxes
- Recessed in deck fish box, insulated and removable with
pump out and drain plate with large holes for easy pump out
and cleaning
- Refrigerated mezzanine step box cooler
- Side lockers
- Stainless steel
reinforced cleats and
recessed hawse pipes
- Stainless steel gas
hinges on hatches and
lids
- Cockpit speakers
- Storage locker with
shelf and push release
door molded port side
of salon steps
- Walk-through transom
door with lift gate
- Y-valve for fresh and
salt water wash downs
- New Gaggenau BBQ
(20130)
- Release Fighting
Chair (new 2013)
- 12V Teaser Reeldeep
drop under
gunwalePlugs (2)

Construction

- Blister resistant modified epoxy
resin in entire hull skin
- Awlgrip brass thru hulls and sea
strainers in engine room and
forward bilge
- Awlgrip engine room, lazarette,
forward bilge and anchor locker for
enhanced visibility and ease of
maintenance
- Custom blended polymer resin used
in structural laminates, topsides,
bridges, and hardtops
- Dockside and overboard pump outs
for holding tank
- Hull bottom: Vacuum bagged end grain balsa
core sandwiched with fiberglass laminates
- Infused fiberglass fuel and holding tanks with
fiberglass baffles inside and balsa coring on
sides for stiffness sealed to the hull with resin
foam
- Laminated end-grain balsa core in hull-sides
and top-sides
- Molded fiberglass salon floor/engine room
ceiling with foam core for acoustical and
thermal insulation
- Propeller pockets for reduced draft

- DuPont Cronar high gloss polyurethane boot stripe
- Hatches (2) Bomar foredeck hatches with Ocean Air screen shade system
- Satin teak interior throughout
- Solid reinforced keel
- Stringers are fiberglass encapsulated foam
- Vacuum bagged composite bulkheads

Electrical System

- 24V DC ship's service
- 24V/120V AC power supply
- 110V outlet in engine room on aft bulkhead
- Anchor light/navigation light
- Batteries (3) independent 24V banks mounted in fiberglass storage boxes, maintenance free
- Battery chargers (3) with thermal cutoff and switching system for complete integration
- Battery distribution panel with battery cutoff and charging system breakers
- Battery parallel system for main engines and genset start
- Bonded electrical system with ground plate
- Charles Power Master shore power cord combiner (100 amps)
- Color-coded, labeled, and numbered wiring system with corresponding drawings
- Dimmers, AC interior lighting throughout
- (2) Glendinning cable masters with 3 wire grounded cord
- Instrument panel light for fly bridge and main electrical panel
- Lighting: Overhead Xenon lights recessed in ceiling and rope style décor light concealed by valances (24VDC and 120VAC)
- Magnetic switches for bilge lights
- Master electrical panel located in salon houses the Octoplex remote breaker panel that features touch screen control with additional controls panels on the helm and in the companionway
- 120V receptacles with GFI throughout the vessel
- Separate bridge electronics batteries and charging system
- Sub panel located in companionway with water tank gauge and alarm panel for safety monitoring system
- Voltage stabilizer isolation transformers

excluding the
companionway

- Engine room lights are recessed AC and DC with switch at engine room entrance
- (2) 27.5kw Onan E-QD generators (Port 905 hours/Stbd 612 hours)

Additional Added Optional Equipment

- Cockpit removable sunshade (affixes to aft cockpit overhang and attaches to removable cockpit poles)
- Teak cockpit table with matching (4) teak chairs
- Nautical Structures 2200# davit
- Tender
- Back up fuel transfer pump
- Back up DC fresh water pump
- Tool box installed in engine room
- FB overhang lights red white and blue
- Lewmar V4 SS hydraulic windlass
- Bahama Blue hull color
- Eskimo Ice machine with discharge into cockpit sole box
- Swim platform and ladder
- Sea water fitting for additional on deck LW
- LW in sole
- Fresh water handheld cockpit shower
- Cockpit Grill
- Bow pulpit
- Bow rails
- Paint rub rail to match hull side
- 12' fender racks on forward bow rails
- (4) Ocean LED 24V blue underwater lights

Mechanical & Electrical Equipment

- MTU16V-2000 M91 (2028hp) with 1750 hours
- Trolling valves
- Bow thruster
- Chilled water air conditioning (2) 4 ton units zoned with reverse cycle heat for complete climate control throughout the interior with individual controls units throughout the
- Linear exhaust with oval outflows
- Oil changing system with pump out line in cockpit
- PEX plumbing fresh water system with manifold system to isolate

staterooms and salon

- Bilge pumps with additional clean out pumps in keel area linked into monitoring system and connected to float switches for automatic and manual operation
- Delta T engine room ventilation system
- Dual stage 110V A/C fresh water pump and cockpit dockside supply inlet with pressure reducing valve
- Engine room gauge package
- External sea strainers for main engine pickups
- Fiberglass side thru hulls
- Fire suppression system tied into main engines and gensets ignition systems with override
- Fresh water filter
- Fresh water supply in engine room
- Fuel and oil lines are flexible steel reinforced USCG approved
- Electric fuel priming pumps
- Fuel transfer system
- Hour meters on mains and generators
- Hydraulic emergency bilge pump manifolded to forward, engine room, and cockpit bilges
- Internal sea strainers for generator, air conditioning and all other sea water pickups

individual areas

- Power assisted hydraulic steering
- Five bladed Nibral propellers
- Dual Racor fuel/water separators
- Rudders are stainless steel with dripless thru-water and Tides Marine bearing for ease of maintenance
- Seacocks are bronze, ball type sea valves for all thru hulls below the water line Awlgrippd white
- Shafts are Aquamet high-strength stainless steel, double taper with machined keyway and custom thrust plate at main engine coupling
- Structural steel engine beds mounted to transverse intermediate bulkheads to isolate torque and vibration/engine room noise and ensure drive train alignment
- Tides Marine water lubricated dripless shaft seals with crossover water supply from both engines
- Trim tabs are dual piston with center tab recessed in transom
- 30 Gallon water heater
