Overview

.break { page-break-before: always } This vessel is clean and ready for its next owner. Located in Virginia Beach, this Australian built offshore Sportfish has been pampered and cruised by the original owner and its current owner. The current owner has kept the vessel on the York River and cruised in the Chesapeake Bay and its tributaries. Recently, the boat was moved to owner's condo at Rudee inlet. Boat has never been fished between the two documented owners.....cruised only. The twin Cummins cruise the vessel 18 knots and burn an economical 14 gallons per hour. A great boat for the small family.
